

BLACK & WHITE CAB CO.

Strives for Perfection

When you enter a Black & White Cab you can do so with the confident feeling that no detail, no matter how small, has been overlooked to give you as nearly as possible 100% cab service.

A Black & White Cab comes to you physically clean and mechanically sound. Each Black & White Cab is cleaned inside and out every day. There is also a rigid daily inspection for mechanical defects.

The driver who brings a Black & White Cab to you is a carefully selected employee. He is a man chosen from many applicants. He was employed because of his past records in other positions, his personal habits and character met the rigid Black & White Cab standards.

A Black & White Cab offers you the same advantages as a private car in the hands of your own driver. You will be taken wherever you want to go promptly, economically and safely.

You pay for a Black & White Cab only during the time it is serving you, riding on meter, and the expense ceases when you reach your destination. When you are ready to make your return trip, just step to the telephone, lift the receiver and call either 72-73-74.

Hockey Players Go in for Basketball to Keep in Trim

The first of a series of regular weekly basketball practices and games, was held by members and friends of the Winnetka Hockey team, Wednesday night, January 5, at the North Shore Country Day school.

Feeling that winter practice in team work would be beneficial individually and as a group, several members of the team, and others interested, formed a team and played a team composed of faculty members of the Country Day school. The game resulted in a tie, 5-5.

Mrs. Perry Dunlap Smith was elected captain of the team, with Mrs. L. Chapman of 557 Elder lane, manager. Those who were present for this first game, many playing for the first time in their lives, included Mrs. Emmons Blaine, Mrs. Thomas McLaren, Mrs. S. C. Haskell, Mrs. Henry Tenney, R. D. Huszagh, Mrs. Perry Dunlap Smith, and Mrs. Frederick Chapman.

Anyone interested in practicing with the group is urged to call Mrs. Chapman at Winnetka 1797.

FINED FOR LARCENY

Dominic Pisciaroli, of 364 Vernon avenue, Glencoe, was fined \$5 and costs before Judge C. T. Northrup, in Winnetka, Wednesday, on a charge of larceny. Robert Gonsalves, building contractor from Libertyville, was the complainant. The theft of building material from buildings which Gonsalves is erecting in Winnetka, was the cause of Pisciaroli's trouble, but all of which material, Winnetka police, who made the arrest, located and returned to Gonsalves. The police found one load at the home of the defendant, who was removing another load when apprehended.

Special Committee Necessary to Hear Rezoning Petitions

The village council of Winnetka now has before it three petitions for rezoning, one being at the northeast corner of Chatfield and Locust roads, now zoned residential, the petition being to have it re-zoned B industrial. Another is the 75 feet on the north side of Oak street, east of the railroad tracks, owned by G. F. Gonsalves and Leonard Roach, now residential and petitioned to be changed to C commercial. The third petition was received Tuesday evening, from property owners on Center street between Pine street and Tower road, asking that it be re-zoned from A residential to C commercial.

In accordance with an opinion rendered by Frederick Dickinson, village attorney, that before a public hearing may be held on the petitions, an ordinance will have to be passed appointing a special committee for the purpose of holding such hearings, it is planned to introduce an ordinance of this nature at the next meeting of the council, and at the same time make the membership of the committee identical with that of the zoning board of appeals.

MAKE THIRTEEN ARRESTS

Thirteen arrests were made by the Winnetka police during the month of December as shown by the report of Chief W. M. Peterson, to the village council, Tuesday evening. Eight of these arrests were on charges of speeding and violation of traffic rules. Only one burglary was reported during the month, that of a store building, in which the loss was \$30 in cash and several checks. Thirty-five buildings were found open. There were eight automobile accidents.
