**Emblems Awarded  
Skokie Students

Emblem awards for proficiency in intramural and academic activities and for noteworthy service in the various departments of the school, were made at the Skokie school during the assembly period Friday.

Around 72 students were awarded the football emblem as a result of recommendations made by their instructors, based on a grading of effort, sportsmanship, obedience, regularity and promptness in attendance. In addition, one player was selected by popular vote from each of the four football sections and the two hockey sections, as the best sportsman from their

sections, each receiving a special award.

Recognition was also given to those who had shown particular ability and interest along the various musical lines. Seven awards were made to band members, and three to pianists who had accompanied glee clubs without scholastic credit.
