

## ART LEAGUE TO MEET AT WILMETTE JAN. 21

**Wilmette Artists to Have Prominent Part in Program; Invite School Teachers**

By MARJORIE WINDES

The next meeting of the North Shore Art league will take place Friday, January 21, at 8:15 o'clock, at the Wilmette Woman's club.

Miss Elizabeth Wells Robertson will speak on "Art Beginnings." Miss Robertson is superintendent of art district 8 of the Chicago Public schools and is known by those who have heard her to talk most interestingly on art for all ages. She supplements her address with illustrations.

William Schmedtgen of 710 Greenleaf avenue, Wilmette, noted painter, will exhibit his pictures which were painted last year in Belgium, Holland, England, Spain and North Africa. This group of pictures was painted while he and his family were abroad. Mr. Schmedtgen has frequently exhibited in Chicago and other cities, and each year honors the Art league exhibitions with one of his works.

### Will View Sculpture

Mrs. Jean Coburn of 915 Linden avenue, Wilmette, a frequent exhibitor of her sculptures in this vicinity, will have on view many of her finest works for the league members and guests to enjoy. She contributed the splendid frieze which adorns the wall above the mantle in the Wilmette Woman's club, and her townspeople as well as the Art league will be happy to honor Mrs. Coburn at the Wilmette meeting.

Charles Morgan, another resident of Wilmette, living at 1401 Hill street, a decorative artist and etcher, as well as a mosaic worker, will have a collection of his work on exhibit, which was done here and abroad.

It is the earnest desire of the Art league that a special invitation be given to the teachers in the public schools along the north shore, to be the guests of the league at this January meeting. Invitations are to be sent to the principals of each school, and the teachers are to be invited.

### Meetings to Rotate

Early in the fall, when the North Shore Art league held its first meeting, the policy of holding a monthly meeting in different towns was adopted. In this way, each village included in the scope of membership would have opportunity to become better acquainted with the many artists in the group, and each village would feel a part of the organization. A meeting has been held in Winnetka, one in Ravinia, and now a third in Wilmette.

### "WHAT PRICE GLORY"

William Fox's prodigious picturization, "What Price Glory," is now in full swing at the Garrick theatre, Chicago, playing to capacity houses. It is the first motion picture in years that has clicked one hundred percent with the Chicago film reviewers, it is said. A symphony orchestra of thirty-five and a crew of thirty, working effects back stage, make for a whole a motion picture never yet attained in a Chicago theater. There are two performances daily, at 2:15 in the afternoon and 8:15 at night.

## MacMillan to Speak for New Trier Club

Commander Donald B. MacMillan, eminent author, explorer, and educator, will give an illustrated lecture under the auspices of the Tri-Ship boys club at the New Trier High school, on

Thursday, January 20. Mr. MacMillan will speak on the subject "The Arctic by Land, Sea and Air" and will illustrate the talk with slides taken while on his last arctic expedition. The Tri-Ship club has extended an invitation to all desiring to do so to come and hear the lecture. Tickets are now on

sale by members of the club and the proceeds from the lecture will be used toward the club's scholarship fund.
