

**John J. Moore,
Church Leader,
Taken by Death**

The death of John J. Moore of 440 Sheridan road, Glencoe, occurred Tuesday, January 11, following an operation which took place a week ago. Mr. Moore was active in church work, in the business world, and in many organizations in Chicago, at the time of his death. He was 54 years old, and is survived by his wife, one daughter, Eugenia, a graduate of the University of Wisconsin, at present a student in the National Kindergarten college in Evanston, and two sons, William, a student at New Trier, and James, a graduate of Beloit college. Funeral services were held at 2 o'clock, Friday, January 14, at the residence.

Mr. Moore was born in Chicago, and spent all of his life, except for the fourteen years he has lived in Glencoe, in that city. He was affiliated with the firm of Moore, Case, Lyman and Hubbard, in the insurance business.

He was a member of the Glencoe Union church, and for sixteen years acted as treasurer for the Chicago Congregational club. This club, known to many north shore people, has been an active organization, and an influential one for many years. Mr. Moore held another office in a leading Chicago organization, being secretary for two years for the Chicago Congregational City Mission society.

Aside from his interest in these clubs and societies, he had been a member of the University club of Chicago, having joined that organization many years ago. He is a graduate of Beloit college.

**Rev. J. A. Richards Prints
Book of Twenty Sermons**

A report has been prevalent of late that Rev. James Austin Richards of the Winnetka Congregational church, has written a book.

To THE WINNETKA TALK this week, Rev. Richards verified the rumor, adding that "the manuscript was prepared in response to the urging of some friends who sent it to the George H. Doran company, the New York publishers. Doran has accepted it and expects to have the book out about June.

"The volume," Rev. Richards continued, "will consist of some twenty sermons and addresses, most of which have been heard in Winnetka. Their preparation for publication was, for the most part, done at my summer camp in Maine. The title for the book has not yet been determined."

**C. of C. Considers Electric
Fire Alarm for Winnetka**

The matter of an electric fire alarm system for Winnetka was discussed to some extent at the meeting of the Chamber of Commerce Monday evening. The estimated cost is said to be about \$6,000.

G. E. Williams, district manager of the Harrington Seeberger Co., addressed the Chamber on the subject, but no action was taken relative to recommending installation of such a system to the Winnetka village council. It is said the Chamber may take the matter up again at a later meeting.
