### Vista Del Lago Invites to Winter Sports Events

With the advent of snow and cold weather the Vista Del Lago club announces its winter sports program of tobogganing and ice skating, on the clubhouse site between Sheridan road and Lake Michigan, adjoining Kenilworth on the south, according to L. L. Arms, managing director of Vista Del Lago.

Ample accommodations are offered to club members and their guests, attendants being on duty at the rink and slide each day. Many special events are to take place as the season advances, including fancy skating exhibitions and an ice carnival.

The Vista Del Lago program comes as a distinct addition to the general winter sports program of the north shore.

### St. Louis Audience Won by Playing of Milan Lusk

Milan Lusk, violinist, residing at 810 Michigan avenue, Wilmette, created a lasting impression when he appeared last month in a gala concert in St. Louis, Mo. The St. Louis Post stated that "Lusk added brilliance to the concert of the Choral club by his elegant style of playing. His performance was marked by a joyous mood and he gave as well evidence of soulful interpretation and a tone of bewitching loveliness. Lusk is an artist in the true sense of the word. As such, he received the hearty applause of the audience which insisted on encores."

Mrs. Lyman Proctor of 860 Spruce street was hostess to twelve friends at luncheon and bridge Thursday, January 6, at her home.

### Honor Youthful Composer at 4th Organ Recital

The fourth North Shore Community organ concert is announced for Tuesday, January 18, at 8 p. m., at St. Luke's church, Evanston.

The big feature of the program, which will be given by Herbert E. Hyde, is the half-hour long Reubke setting of the 94th Psalm—accounted some of the greatest music ever written for the instrument. It is pure organ music in the truest sense of the word and calls not only for musician-ship on the part of the performer but an organ of more than ordinary power and beauty to give it impressively.

The young Saxon composer, Julius Reubke, died in his early twenties; he lived only long enough to produce this one monumental organ composition and a little piano music. His name is scarcely noted in music annals, yet he wrote himself into the records of genius with a single glorious effort.

The German school composition with its austere polyphony is further represented on the program with the Wolstenholme "Sonata in the Style of Handel," two Wagner transcriptions, and the Max Reger "Benedictus." For contrast, a group of three compositions of the Frenchman, Joseph Bonnett, conclude the program.

These concerts are free and the public is cordially invited.

### MISSIONARY SOCIETY MEETS
