

### Winnetka Realty Men Win Vacation as Sales' Award

Quinlan and Tyson, Inc., gave a dinner at the Georgian hotel, Evanston, Tuesday night, January 18, to celebrate the winning of a prize by Lewis T. Dodds, manager, and Frank M. Orndorff of their Winnetka office. The trip, which includes a week's sojourn at Biloxi, Miss., is given to the two high men of the office which attains the highest percentage of its quota in real estate sales. Mr. Dodds also has the honor of being the largest single producer in the entire sales department of the firm. He and Mr. Orndorff plan to take their trip early in February.

The prizes of the Quinlan and Tyson, Inc., golf tournament held last fall were also presented. Harvey T. Fletcher of the Chicago office was the champion, Roland H. Peterson of the Evanston office was runner up, O. H. Armstrong also of the Evanston office was the winner of the low net prize, and H. N. Tyson, Jr., won the blind bogey.

Clyde D. Foster presided at the meeting which followed the dinner, when the managers of the various departments spoke on the outlook for 1927.

### Boy Scouts

Scouting came to America seventeen years ago. Churches, schools, homes, and civic groups are preparing to celebrate the progress of the Boy Scout movement, during the second week of February. The many troops of the north shore are making plans for the proper observance of Anniversary week.

Celebrating anniversary week will be one of the topics of discussion on the Scout leaders' hike to the Sand Dunes, Dunes Park, Ind., this week-end. Some of the men wish to go Saturday morning. Others will go Saturday evening, returning late Sunday afternoon.

### Training Course for Men

The slogan being used nationally in celebrating Scout Anniversary week is "Training Manhood to Serve Boyhood." The North Shore council is starting a training course for leaders and fathers of boys, next Monday night. The course is open to anyone who cares to enroll and to visit it. Further information can be secured by phoning Highland Park, 2431.

One of the biggest Scout expositions ever held in Illinois is being arranged for to be held at the First Regimental Armory, in Chicago, on February 3, 4.

### SAVE ON YOUR COAL BILLS

Most of the cost of burning coal is in getting the fire started too rapidly in the morning. You will save money by having the right sort of portable heaters as well as keeping the house tight against draughts.

Window  
Stripping

Whether you prefer  
the flexible stripping,  
wooden, metal, felt or  
rubber strips, we can  
supply your needs  
promptly.

Heaters

We have the best  
makes of heaters for  
use about the house.  
Whether you prefer  
electrical, gas, or oil.  
Prices reasonable.

Door Checks

Every door that opens  
to the weather in-  
creases your coal bill  
for every second it  
stays open. A door  
check pays its cost.

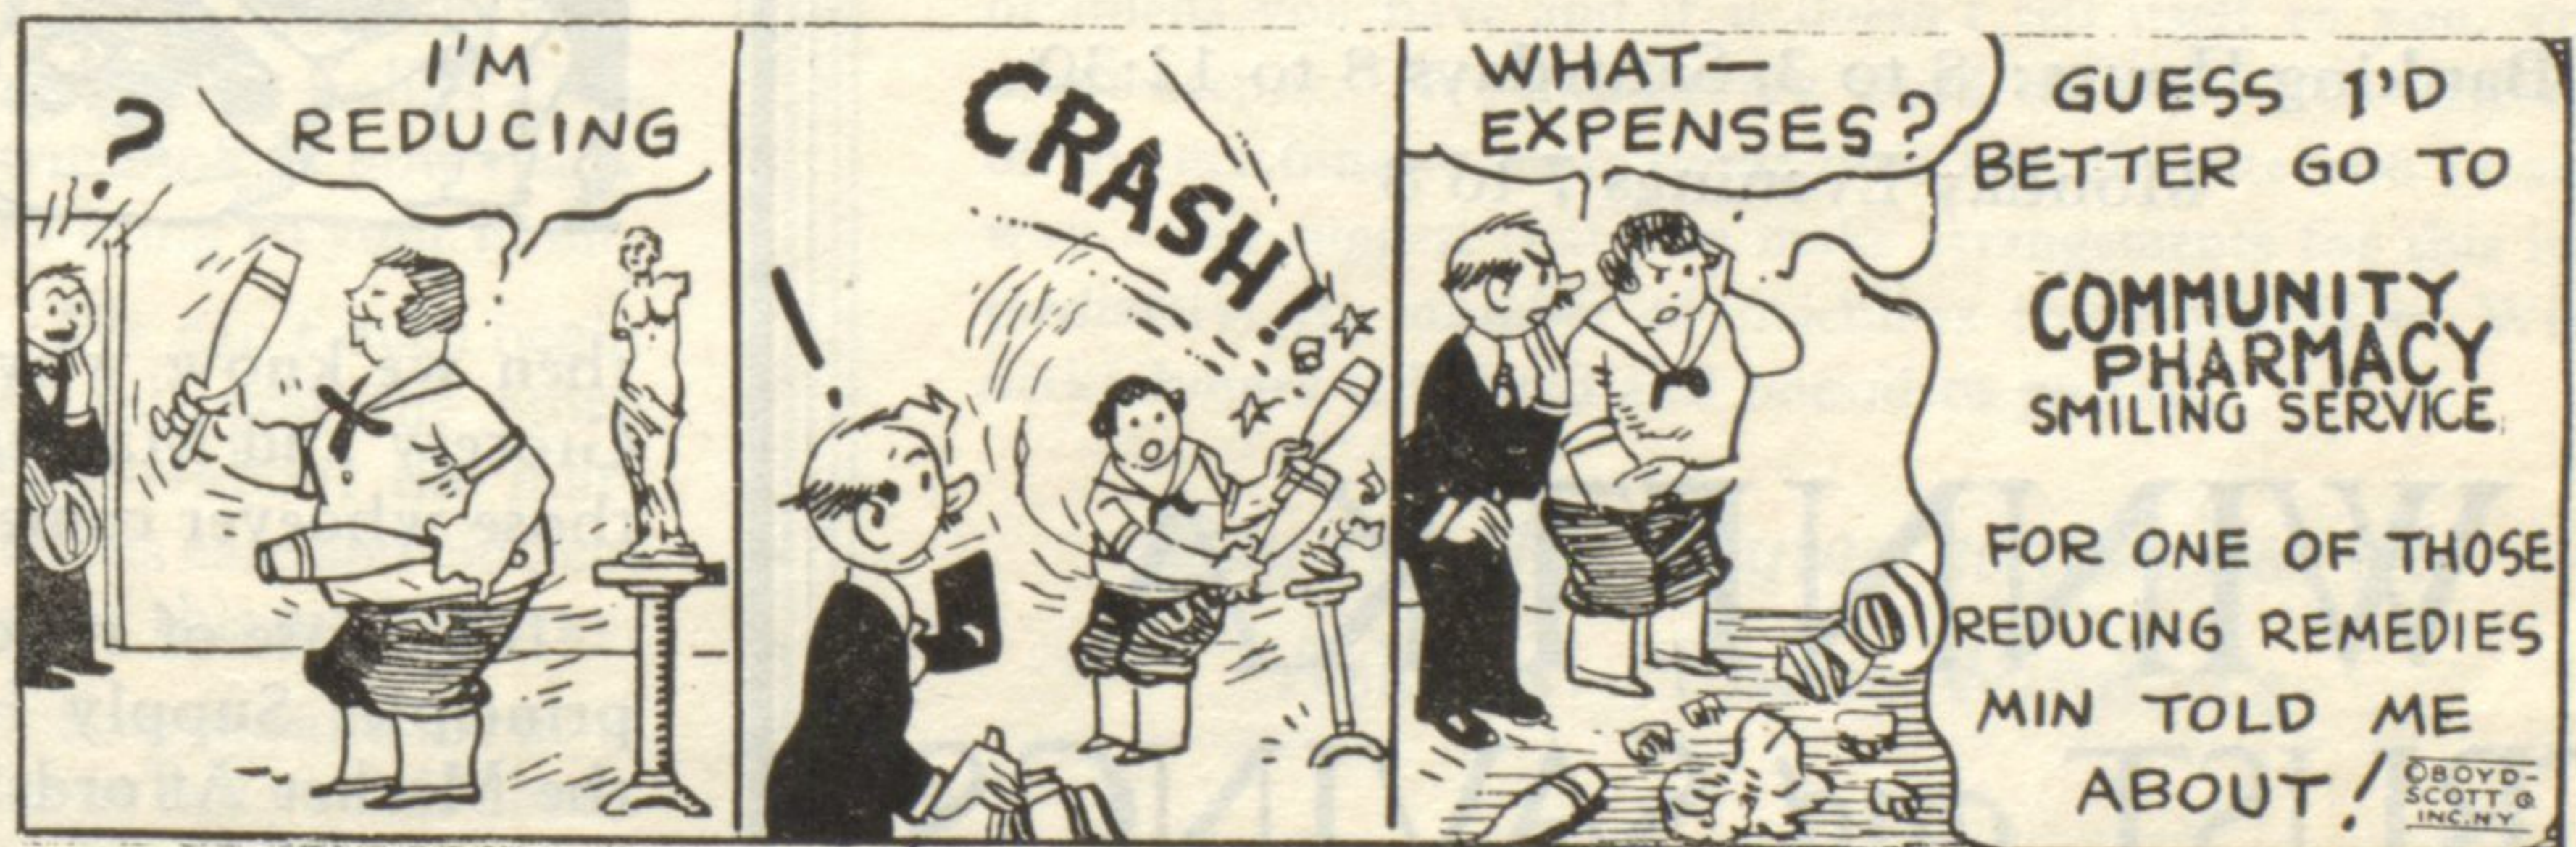

We suggest  
L. C. N.  
Door Closers.
