

### Skokie Quintets Display Prowess; Many Enjoy Sport

Three games out of five were won by Skokie cagers in contests with North Shore Country Day school teams early this week. About seventy-seven players from the Skokie basketball leagues participated and the games were featured with good work on the part of members of both sides.

Intra-mural contests are progressing according to schedule and, although there are many games yet to be played, all of the teams are striving to make each contest count favorably. The team standings are as follows:

### Snow Doesn't Halt Success of Firemen's Annual Ball

The annual ball given by the Winnetka Fire department last Saturday evening drew the usual large attendance, despite the very unfavorable weather. The proceeds of these popular annual affairs are for the firemen's benefit association, and the liberal support which they receive from the public is greatly appreciated. Hal Reeder's orchestra furnished the music.

### Sees Eight-Cylinder Car Dominating Motor Field

To substantiate further his recent expression regarding the tremendous inroads that the eight-cylinder principle is making among motor cars in the class of \$1,500 and up, Dubois Young, president of the Hupp Motor Car Corporation, points to the increased number of eight cylinder cars exhibited at the 1927 automobile shows. He also quotes figures to show how the number of four cylinder cars is steadily decreasing before the advance of the light six, and that the majority of six cylinder manufacturers are concentrating on the price field below \$1,500.

"The three groups to which I pointed some time ago are sharply outlined in a fairly close census of the 1927 models. It is seen that the four is supreme up to \$900, the six from that point to \$1,500, and that the eight practically dominates everything above the \$1,500 level," says Mr. Young.

The Hansen Motor company is the Hupmobile dealer in Winnetka.

Mrs. Hollis Gleason, Jr. and Mrs. Roy Rennacker were joint hostesses last Saturday in the home of their parents, Mr. and Mrs. John Boylston of Wilmette, at a bridge party for the Chicago chapter of the Villa de Chantal alumnae.

Mr. and Mrs. Marvin Hughitt Frost of 1205 Scott avenue have left Winnetka with their two sons, and are spending the winter on the West coast.
