

# The New Limousine Invalid Coach

COMFORT and refinement characterize the new Scott Limousine Invalid Coach (more commonly called ambulance)—one of the first of its type to be introduced on the North Shore. It is fitted superbly and with the care that would go into the making

of the finest private car. An air mattress, large balloon tires and cradle springs provide ease for the patient. It is equipped with a doctor's emergency cabinet and an electric fan. Entrance is from the side. The attendants are uniformed.

## Hubby may help with the dishes

once in a while when he's feeling benevolent. But you can imagine his horrified expression if you asked him to help with the washing? Spend a day in the cellar with the clothes . . . hardly!

And it's no work for a woman either, especially when our "Rough Dry" service washes and dries everything and irons all the flat work, leaving only a few of the lighter pieces to be ironed at home. Phone today for this low priced service that takes the washing, drying and much of the ironing out of the washday program.
