

Scouts Plan Another Trip to Skiing Point

A second hike to Cary, Ill., was taken by Kenilworth Scout Troop 1, under the leadership of Scoutmaster Bob Townley, last Saturday. The snow was still pretty deep, having drifted to a depth of eight or nine feet below the bluffs of the Fox river, the boys report. All were said to have been "plenty tired" but are still raring to go on another hike as soon as possible. Scouts taking the trip were Charles Howe, Bob Sweet, Toto Gillette, Joel Dickenson, Claude Hamilton, Dan Harrison, Dick Joslin, Bob Richardson and Don Kimball.

The Ash street circle will meet at the home of Mrs. Carlton Prouty of 693 Willow road, with Mrs. Theo J. Demling of 699 Willow road as assisting hostess.

Mothers and Daughters to Have Banquet Feb. 11

Friday, February 11 at 6:30 o'clock in the Mess hall at New Trier High school is the date, time and place for one of the most important events of the year for the girls at the school. The Mothers' and Daughters' dinner will be sponsored by the Girls' club, as usual, and it is promised to be a grand success. The tickets are now on sale and there will be reservations for 500.

SEARS TEACHER ILL

Mrs. Mollie K. Foreman, teacher at the Joseph Sears school, was confined to her home over the week end but is back on the job this week.

Mr. and Mrs. J. C. Williams and their daughter Florence, of 850 Cherry street, Winnetka, will leave next week on a month's tour in California.

Let Contracts for New Big Ten Country Club

Contracts for the construction of the eighteen hole golf course of the Big Ten Country club, which is limited to men who attended Conference college, were let last week by Williams and Squires, fiscal agents for the club, to the American Park Builders. Myron H. West, president, represented the park builders. Work on the course will start in the spring.

The club has secured through Williams and Squires 135 acres fronting on the Dundee road four miles west of Glencoe and one and one-half miles east of Wheeling.

The Glencoe Garden club will hold its next meeting on Monday, February 7, at the home of Mrs. Sidney F. Beech of 253 Waldon drive, Glencoe, at 2 o'clock.

Would Make Club House From Old Glencoe Mansion

Conversion of the old F. J. Woolley homestead at the foot of Park avenue, opposite Lake Front park, Glencoe, into a club house for the Woman's Library club of Glencoe, is looked upon with much favor by some of the members, and the matter is being considered.

Others, it is said, are not so favorable toward the proposition. The site is a beautiful one, overlooking the lake but the house is old and it is felt by those who have been less enthusiastic in the matter that the cost of remodeling to suit the needs of the club would be too excessive.

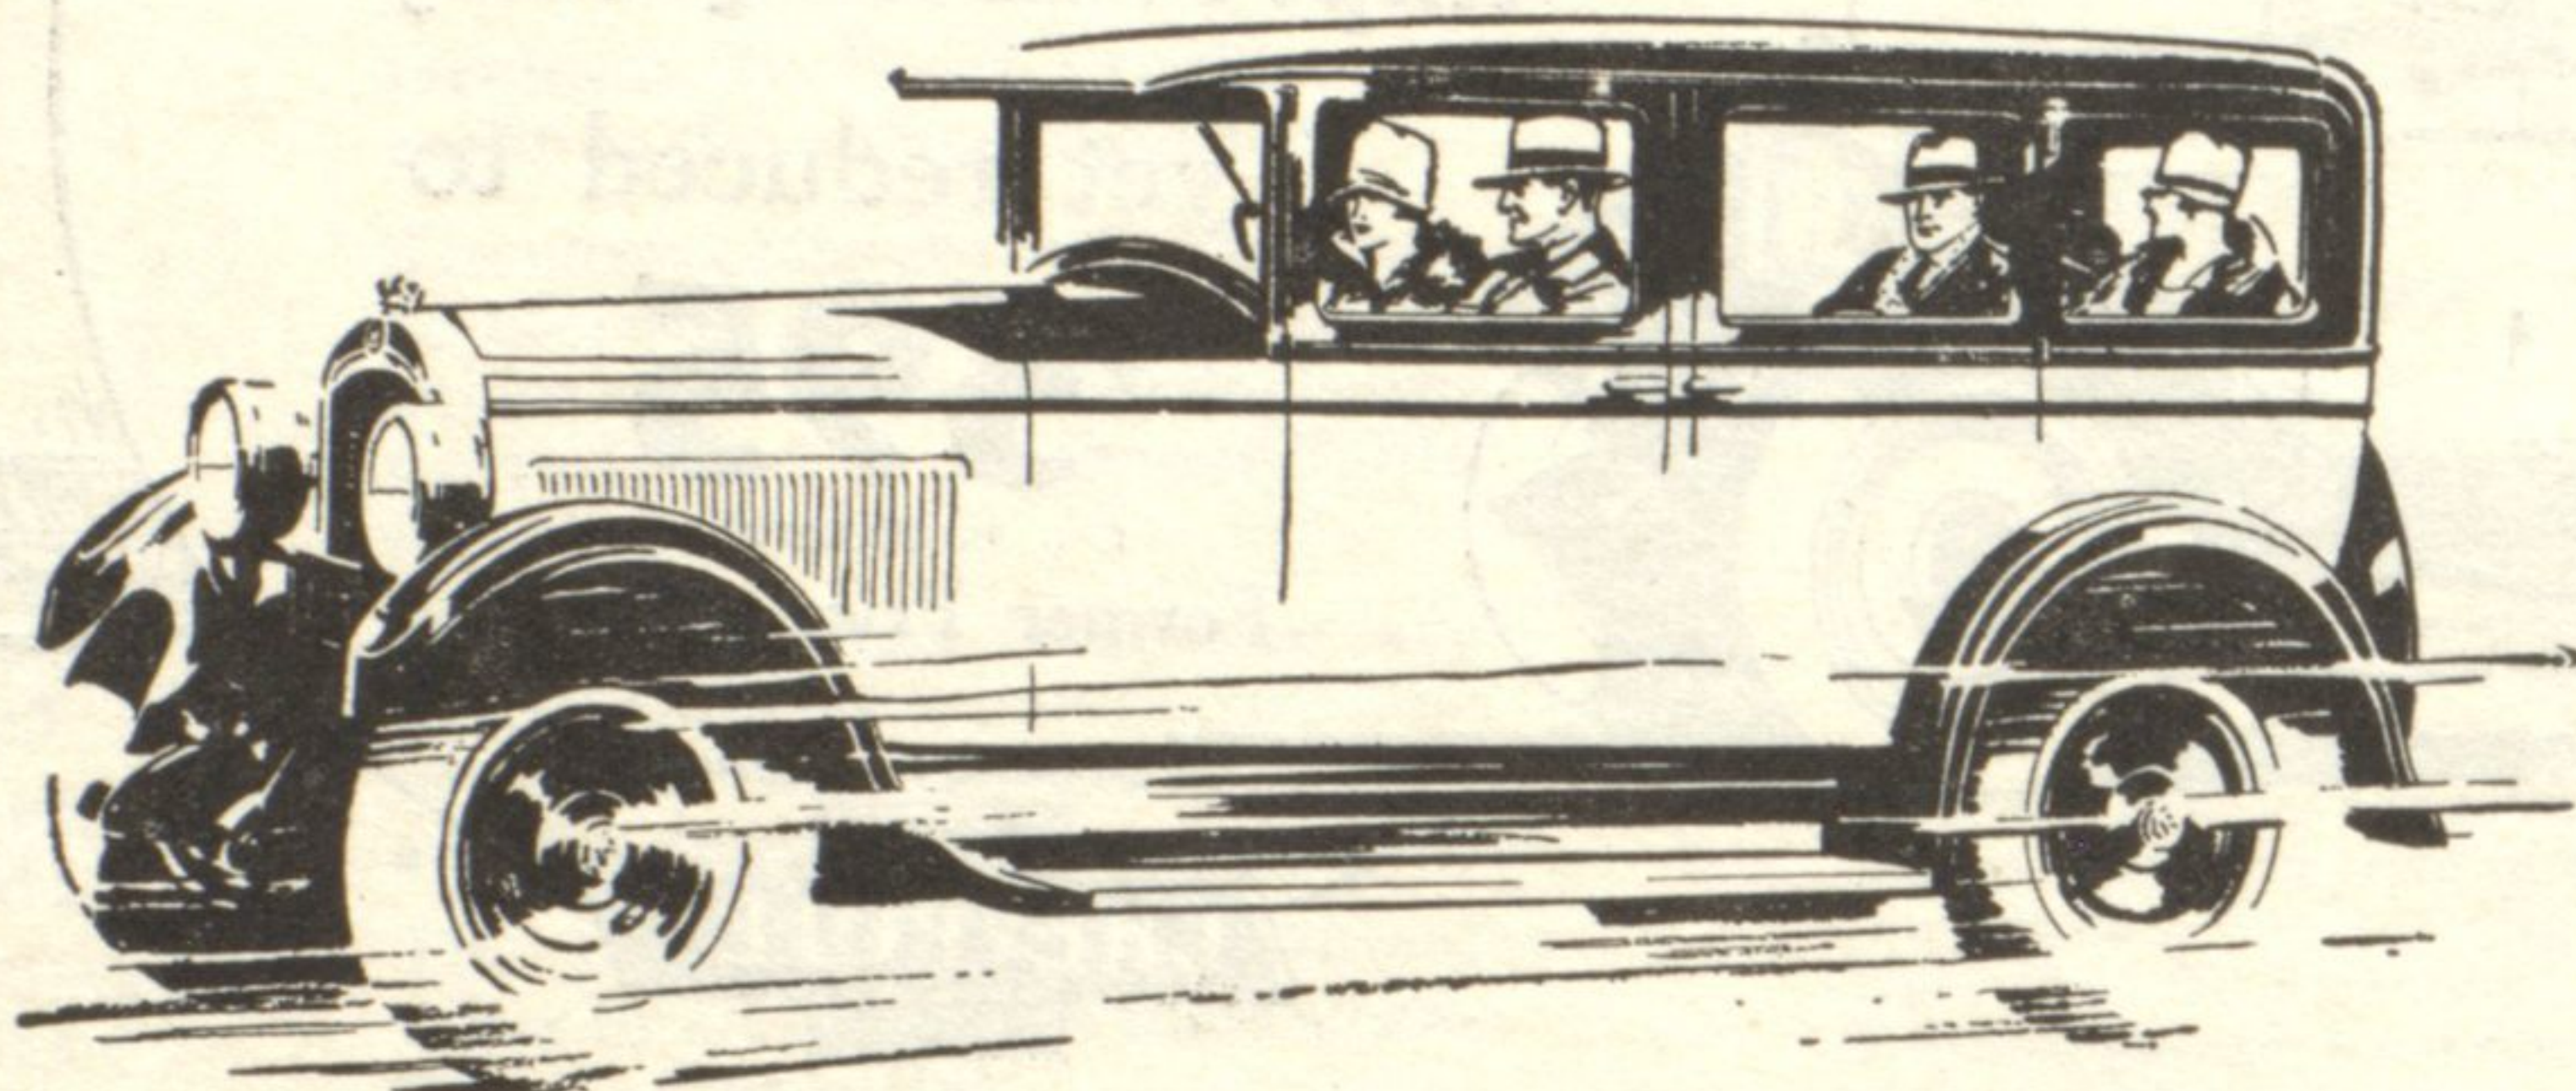

Others of the club, it is said, see great possibilities in plans of this kind at a rather nominal outlay, especially when this splendid location is taken into consideration.

No formal action has been taken, either way, but it is said very careful consideration is being given to the proposition.

The Woolley property, as mentioned previously has been acquired in the village plans for the location of its proposed new waterworks. The waterworks, however, would be located on the lake at the foot of the bluff and so constructed as not to interfere in any way with the high class development of the old homestead grounds, proper, at the top of the bluff, it is said.

Mr. and Mrs. Joseph C. Markley of 777 Burr avenue have gone to New York, and will leave from there for a six weeks' trip to Florida.

Mrs. Percy W. Bradstreet of 475 Cedar street is leaving at the first of the week for Green Cove, Fla., where she will be for two months.

Compare Its Value With All Sixes Near Its Price

However you judge closed car value—in exterior refinements—or in the more important attribute of fine performance and long life, you cannot close your eyes to the advantages of the new Hupmobile Six Sedan.

Here you will find beauty and luxury in generous measure. The new metal ball-back body gives a graceful silhouette that lifts this car above the commonplace. Upholstery is of genuine mohair, harmonizing in color with the finish of the body. Hardware is of the highest quality and the complete equipment leaves nothing to be desired.

Built to regular Hupmobile standards, for years recognized as better than average, this Sedan would rank as one of the foremost quality cars in America.

Come In and See These Equipment Features—Many Recently Added

Thermostatic Heat Control; Gasoline Filter; 4-Wheel Brakes; Color Options; Vision-Ventilating Windshield; Clear Vision Bodies; Dash Gasoline Gauge; Force Feed Lubrication; Oil Filter; Mohair Upholstery; Rear View Mirror; Special Vibration Damper; Snubbers; Tilting Beam Headlights; Automatic Windshield Cleaner; Walnut Grained Instrument Board.

But Hupmobile goes 10% beyond—Hupmobile makes its quality of materials and workmanship 10 per cent finer than required.

While thus adding 10% to manufacturing costs, Hupmobile adds not one cent to its price. As a result, the Hupmobile Six is recognized far and wide as offering more quality, per dollar of purchase price, than any other Six on the market.

See this improved Sedan, drive it and realize its new ease of steering and control—and you'll have no other six at any price. We will gladly arrange a demonstration.

Sedan, 5-pass., four-door, \$1385. Coupe, 2-pass. (Rumble Seat), \$1385. Roadster (Rumble Seat), \$1385. Touring, 5-pass., \$1325.

All prices f. o. b. Detroit, plus revenue tax.
