To those who know this store for its fine clean stock, the mere announcement of our Spring Clearance will mean much.

Our merchandise is plainly marked and we can truthfully say that we have reduced prices to greatest extent this stock will permit.

To advertise the name of a rug and a price might be misleading because the name does not designate its grade.

We extend a cordial invitation to inspect our stock.

HOW DIFFERENT!

You have had your rugs cleaned by others! How long did the lustre last?

Numerous of our clients to whom we can refer you, will testify that their rugs remained like new for 2 years after we cleaned them.

Why? Because only the hand-worked oriental vegetable process gets beneath the surface of the rug. It gives new life and vitality to it and does not come back to you wrinkled.

Telephone University 5236. We will be glad to serve you. We do the only hand work on the North Shore.

Courteous Treatment—Prompt Delivery.
