

Scouts to Engage in Inter-Troop Contests

An inter-troop contest between representatives from Scout troops of Evanston, Wilmette, Kenilworth and Glencoe, will be held at the Kenilworth community gymnasium at 7:30 Friday night, January 28. The meet will be a preliminary meeting, according to Scoutmaster Bob Townley of Kenilworth, and will not represent any unusual show of Scout efficiency. It will be mainly directed toward finding out exactly what the boys can do and what is needed to put them into first class form. Contests to follow at a later date will be directed toward a more earnest competition.

The events are listed as follows: Event 1, signaling and semaphore—one team will be entered from each troop; Event 2, Fire by friction—one team of three boys from each troop; Event 3, O'Grady drill—team of eight boys, the leader being a Scout; Event 4, Knotting—one team of five Scouts from each troop; Event 5, Relay race between Scout teams from all troops.
