

# The Sparton 110 AC At Last . . .

No A batteries to recharge—no B batteries to run down—no troublesome eliminators—just plug in to the regular houselighting circuit and enjoy beautiful music and splendid entertainment uninterrupted.

The Sparton 110-AC is truly the ultimate ideal that Radio lovers have been longing for. Nothing else to buy—complete with tubes all ready to enjoy.

*Tuning the Sparton is as  
Easy as Turning a Page*

Simply turn the right hand dial until center opening shows the wave length of the station you desire. Turn the left hand dial to corresponding figure in the right hand opening and the program comes in full, rich and perfect. Two beautiful two-tone walnut five tube models with the special Sparton balanced circuit and two dial control.

In all fairness to yourself see, hear, and operate a Sparton before you buy.

Sparton 110 AC \$260

Sparton 110 AC Console \$360
