To Make Church Plans Known at Open Meeting

The main subject of conversation these days among people of the Winnetka Congregational church, is the new church building enterprise. The church building committee is just about ready to report its plans for the consideration of the church. By vote of the church, the committee is required first of all to make its report to the church council, but in order that everybody may know just exactly what is the present condition of the enterprise, the church council has voted to make the meeting at which this report will be presented, an open meeting, at which every interested person in the parish is invited. The day of the meeting is Wednesday, February 16, at 8 o'clock.

VALENTINE BAZAAR

A Valentine bazaar is being held during the noon hour all this week at the Greeley school, by Mrs. Schwoerer's first graders. All of the valentines are made by the children and the plan is being carried out in order to raise money for a school fund. A grab-bag and feed and candy sale is also being planned by the children for Friday.

Arden Shore Holds Winter Camp for Underweight Boys

Arden Shore activities are not confined to summer camps alone, nor to fall and spring work, but continue through the winter months. This winter, a camp for fifty boys about 14 years of age is being conducted at the Lake Bluff Arden Shore site, and on behalf of these boys, who are underweight and convalescent, the Winnetka committee of the Arden Shore organization is making the following announcement.

The 50 boys seeking health at Lake Bluff, are striving for working certificates. They are either run down, undernourished, or convalescent, and without this certificate they cannot be dismissed from the camp. The program they follow is to sleep, work and play out-of-doors as much as possible, practically all day and night.

Anyone in Winnetka, Hubbard Woods or Indian Hill who has warm clothing, shoes, overcoats, socks, anything warm and whole, is asked to phone either of three women in the village. Mrs. Joseph E. Otis, Jr., at Winnetka 2299, chairman of collecting of the Winnetka Branch of the Arden Shore association, Mrs. Hubert Howard at Winnetka 1513, chairman of the Arden Shore branch in Winnetka, or Mrs. Marcus Richards at Winnetka 498, vice-president of the Arden Shore association, Industrial worker, which includes collecting articles, will be glad to arrange for the collection of any warm clothing Winnetka people feel free to donate to this most worthy cause.
