

### Christian Science Churches

"Love was the subject of the lesson-sermon in all Churches of Christ, Scientist Sunday, January 30.

The Golden Text was from I John 4:8, "He that loveth not knoweth not God; for God is love."

Among the citations which comprised the lesson-sermon was the following from the Bible: "Charity suffereth long, and is kind; charity envieth not; charity vaunteth not itself, is not puffed up, Doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil, Rejoiceth not in iniquity, but rejoiceth in the truth; Beareth all things, believeth all things, hopeth all things, endureth all things. Charity never faileth" (I Cor. 13:4-8).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy:

"The vital part, the heart and soul of Christian Science, is Love. Without this, the letter is but the dead body of (p. 113).

Mr. and Mrs. Austin B. Cazel of 543 Chestnut street announce the birth of a daughter, born Monday, January 31, at the St. Francis hospital. Mrs. Cazel was Helen Voltz before her marriage.

### Teams Show Efficiency in First Aid Contests

The high degree of efficiency in First Aid and Safety work attained by employes of the Chicago, North Shore and Milwaukee railroad was publicly demonstrated when thirty picked experts engaged in competition for company championship honors at the Parish House, Waukegan, the evening of January 27.

Before an audience of 500, five teams representing various departments demonstrated their skill in meeting emergencies and showing "what to do before the doctor arrives."

An average of 97 per cent was made by the Mechanical department team in six problems—one of the highest ever recorded in a contest of this kind. This team, however, was forced to extend itself to win championship honors by the skillful work of the Electrical department team, which completed the scheduled five problems with a score that tied the mark of the Mechanical department representatives.

Mr. and Mrs. Darrell S. Boyd of 47 Indian Hill road are receiving congratulations upon the birth of twin boys, Darrell Hollingsworth and Denman Henderson, at the Evanston hospital, Saturday, January 29.

Mrs. Robert H. Ripley of 29 Indian Hill road and her son, Hampton, have left the village to stay in Miami, Fla., until spring.

## MacDowell Benefit

Next Thursday  
February 10  
at 8:15 p. m.

Woman's Club  
of Evanston

Recital by

## Isabel Richardson Molter

American Soprano

"Feels intensely all that she sings. Could not find one serious flaw in any of her interpretations. Held my interest throughout; never unduly dramatic. Crystal clear tone with warm color in it. Very fine artist; beautiful, big, high tones with strength and purity behind them; musicianly graduated crescendos and soft pianissimos. Splendid vocal equipment." —THEO. STEARNS, *New York Telegraph*.

"Mrs. Molter is, in fact, that rare apparition on the present concert stage a singer who can really sing." —WARREN S. SMITH, *Boston Post*.
