French Club Plans to Entertain Arden Shore

In the first meeting of the year 1927, last Wednesday, the French club of New Trier High school discussed a number of matters.

Next Wednesday a lecture in French will be given.

Le Cercle Francaise did nothing for Christmas as the Arden Shore authorities asked them to wait until later. On Friday, February 4, the French club is going up to Arden Shore where it will provide ice cream, cookies, and entertainment for twenty-five boys.

The club also discussed the Mardi Gras, to be held Saturday, February 26, at 8 o'clock, for the purpose of increasing the French Scholarship fund. The tickets for the Mardi Gras are on sale this week.

The committees announce that they are doing all possible to have good entertainment, and hope to surpass last year's fete.

Mrs. Henry J. Cary-Curr of 1051 Spruce street entertained at luncheon, Thursday, February 3, in honor of Mrs. Green, who is visiting her daughter, Mrs. Harry P. Clarke, of 958 Spruce street.

Radio Talks on Child Training Gain in Favor

The address was one in the series of radio talks for parents on the subject of moral-social education of the child in the home, which Miss Baker is giving at 4:15 o'clock on the afternoon of the first Wednesday of each month.

Kindergartners Compete in Song Contest Feb. 10

A song contest among freshmen, sophomore and junior classes of the National Kindergarten college, will be held Thursday afternoon, February 10, to celebrate the first anniversary of the move into the new Harrison hall on the north shore.

Last year the song contest was held under very crowded conditions in the old buildings, but the awarding of the silver baton to the winning class took place at the opening assembly in the still unfinished new building on February 10, and the students, through college council, requested that the event be made an annual affair.
