North Shore Men Will Attend Big Fraternity Fete

The Interfraternity association of Chicago, a group of more than forty college fraternities whose 12,000 local alumni make up its membership, has announced its tenth annual banquet to be held at the Palmer House, Chicago, Thursday, February 10.

The interfraternity association was formed in 1915 to promote good fellowship among college fraternity men in Chicago and vicinity and to advance the common welfare of the fraternities of which they are members. Banquets are held annually in February, the one this year being restricted to an attendance of 1,200, which is ten per cent of the total membership of the association.

Richard Henry Little, the "R. H. L." of the Chicago Tribune, Line-O-Type column, will act as toastmaster and speakers include Jess Hawley, Dartmouth Football coach, and Max Mason, president of the University of Chicago. Elaborate entertainment features have been provided including a complete stage from which one of the head-line vaudeville acts in Chicago will be presented.

A large number of north shore men are members of the association. J. Milton Coulter, of Winnetka, a member of Kappa Sigma, is in charge of speakers; and Charles J. Eastman, of Winnetka, national officer of Phi Gamma Delta, is chairman of the advertising committee.

Beauty Lies in Healthy EYES

It's not so much the size or color of the EYES that makes them beautiful. Rather, it's the glow which radiates from them. Unless kept always clean and healthy, EYES lack this alluring lustre.

Millions of women throughout the world promote EYE health and beauty with Murine. It cleanses EYES of irritating particles and keeps them clear and bright. Contains no belladonna.

Our illustrated books on "Eye Care" or "Eye Beauty" are FREE on request.
