

Art Songs Basis for Appreciation Concert at Skokie

The fifth of the musical appreciation series, arranged by musical director Yingling, was presented in the assembly period at the Skokie school, Friday, January 28. The program consisted of German "Art Songs," especially as represented by Lieders, sung by LeRoy Hamp, lyric tenor, accompanied by Miss Esther Arneson, and more than delighted the youngsters who insisted upon encore after encore, even to the curtailment of their dinner hour.

Lieders, it is said, are most difficult to sing, requiring a voice of exceptional quality and of particular character to properly handle them. In this, Mr. Hamp's voice easily meets all requirements and cannot be too highly praised. Before each song he also gave a most interesting and apt discussion of the feeling or emotional story which the author had tried to express. Mr. Hamp is a member of

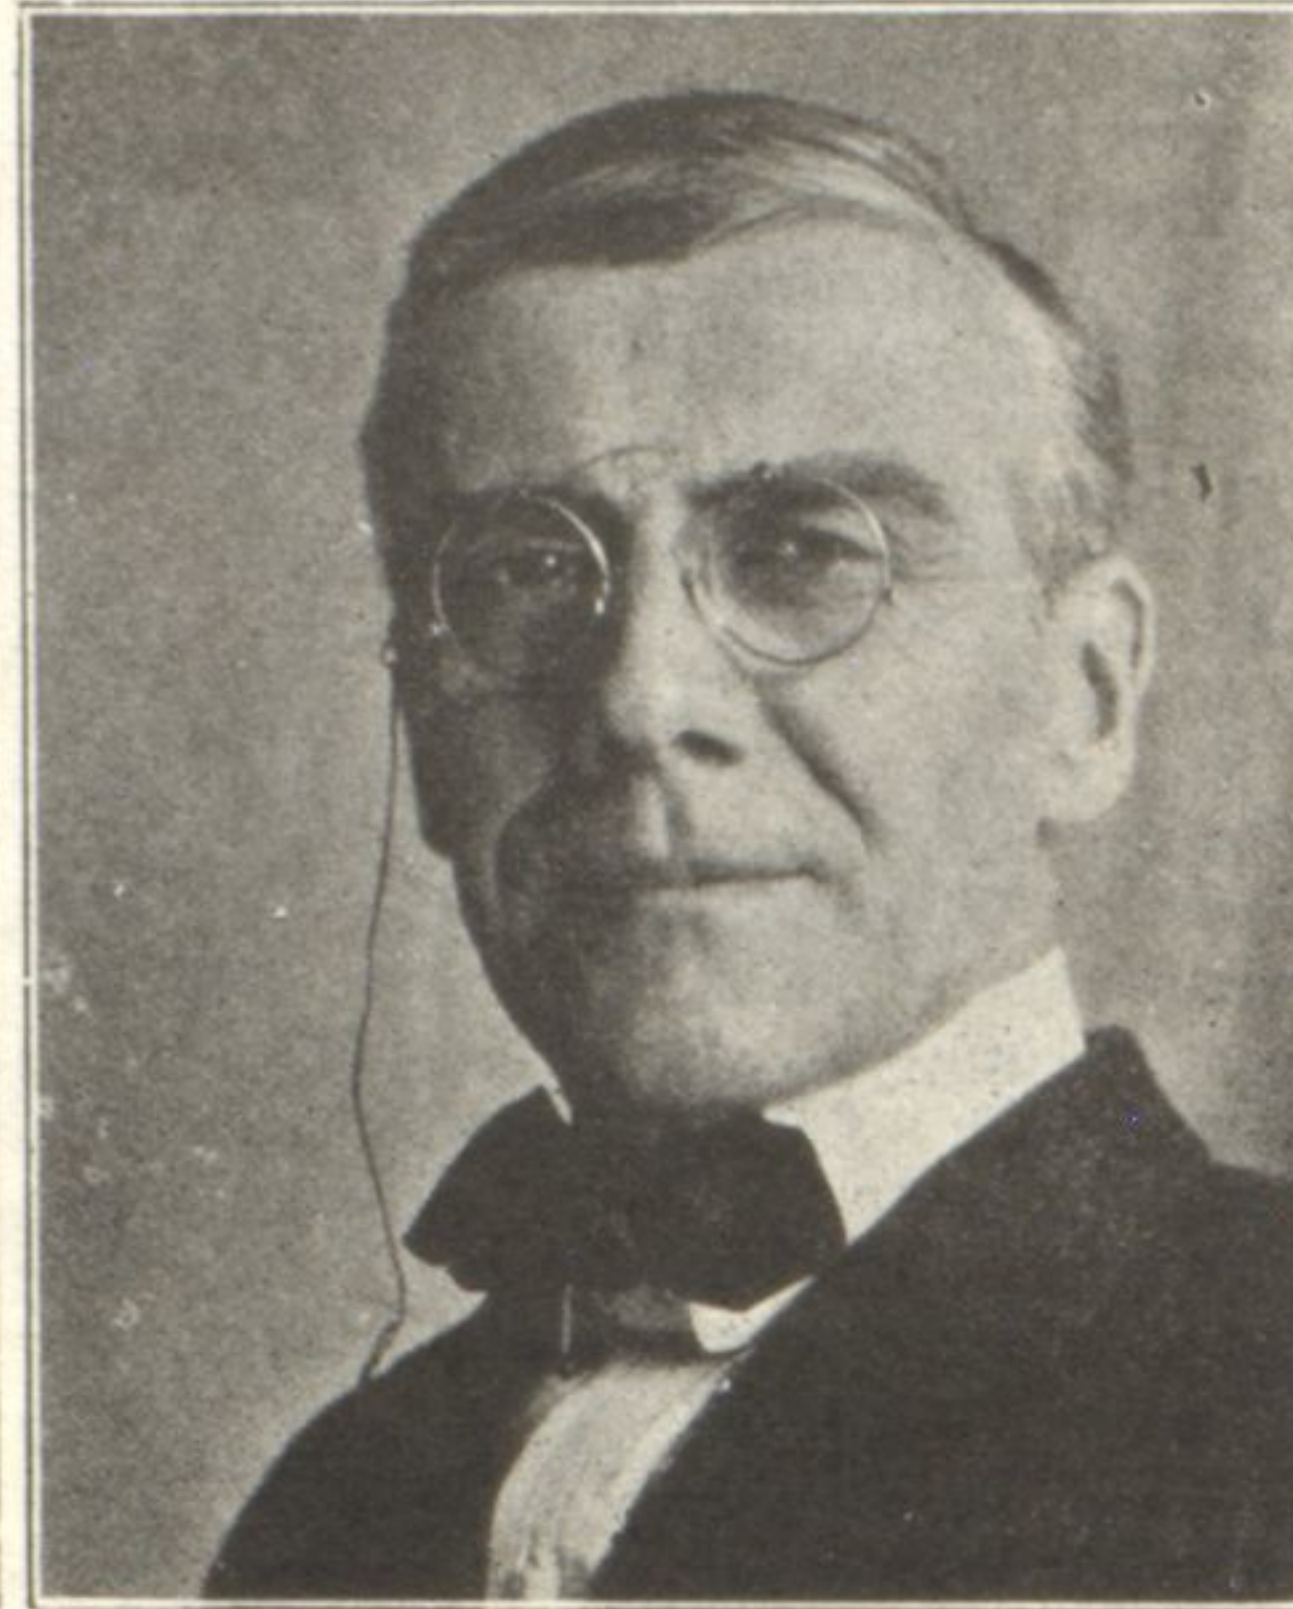

the quartet of the First Presbyterian church of Evanston and is altogether a product of Chicago musical tutorage.

The basis for this particular part of the appreciation series, according to Mr. Yingling, is to show that we have other beautiful Art songs, than the ballads. The program is as follows:

- Brahms:—"Feldeinsamkeit"
- "Von Ewiger Liebe"
- Schubert—"Hark, Hark, The Lark"
- "Ungehduld"
- "Wohin?"
- Schumann—"Mondnacht"
- "Die Rose, Die Lillie, etc."
- Mendelssohn—"On Wings of Song"
- Strauss—"Zweignung"

The north shore committee, Miss Adelaide Jones of Wilmette, chairman, of the Musical guild, will present an informal musical program at the Musical Guild House on Rush street, Chicago, on Sunday afternoon, February 13. Hazel Bell Risk, soprano, of Winnetka, and Alma Birmingham, pianist, with Marion Coryell, accompanist, will be the artists.

At Sunday Club

Alton Packard, one of the best known cartoonists in America and often referred to as the successor of Frank Beard, will present his program entitled, "The Master Painter," Sunday night, February 6, at the Wilmette Sunday Evening club. This is his religious program and his drawings will be of much interest in this connection. This is the first time that a cartoonist has appeared on a Wilmette Sunday Evening club program. It will be a unique and highly worthwhile evening, it is promised. The soloist next Sunday evening will be Miss Dawn Hulbert.

Keen Competition Encountered by Winnetka Cagers

Skokie school and North Shore Country Day school teams are "mixing it right and left" these days as the basketball league program progresses. Almost every team has been defeated at least once and the competition is becoming keener with each tilt.

The Bluebirds and the Flyers still lead the Girls' middleweight league with 3 wins and no defeats each; while the Girls' lightweight league is led by the Streaks on 4 wins and 1 defeat.

In the Boys' divisions, the Eagles head the list in the lightweights on 4 games won and 2 lost; the Demons and the North Shore Country Day team are tied for first honors in the middleweight section; and the North Shore Country Day holds the title for the heavyweights with 3 wins.

Team standings as posted Thursday are as follows:

Girls' Lightweight

Triangle Club to Give Costume Dance Feb. 12

Six prizes, three for men and three for women are to be given away at the Masquerade dance being given Saturday, February 12 by the Triangle club of Winnetka. The prizes will be awarded by a selected committee of judges, their names to be announced Saturday, February 12, the basis of the award being the best costume. Every member of the club and their partners are coming in costume, and they urge that all guests join in the spirit of the dance in like manner.

Everyone interested in attending the dance is urged to come to the Community House, Saturday night, February 12, and enjoy a good time. The only request made is that those participating dress in costume if possible.

Mrs. Fenton Kelsey of Montclair, N. J., who has been in the Evanston hospital, is to return to the Orrington hotel to convalesce. Mrs. Kelsey is the mother of Mrs. Richard Aishton of Winnetka.

Greeley Gym Classes Give Assembly Program

A unique assembly program was presented last Wednesday at the Greeley school by the gym classes. Original stunts, worked out by the children themselves in class during the past few weeks were done and were greatly enjoyed by the audience.

Each room has been participating in a contest to see which could score the most points. Fifty points were possible for each child. The sixth grade was the winner. Janice Kahnweiler scored the highest individual score, which was 45 points.
