

# The New Limousine Invalid Coach

COMFORT and refinement characterize the new Scott Limousine Invalid Coach (more commonly called ambulance)—one of the first of its type to be introduced on the North Shore. It is fitted superbly and with the care that would go into the making

of the finest private car. An air mattress, large balloon tires and cradle springs provide ease for the patient. It is equipped with a doctor's emergency cabinet and an electric fan. Entrance is from the side. The attendants are uniformed.
