

Invite Public to First Rally of Scout Area

A practice demonstration of the various phases of Scout activity will be given at the Kenilworth Community gymnasium Friday evening, February 11, for the purpose of giving the Scouts an opportunity to prepare for the big North Shore Area Scout rally which will be held on February 25. Preparations have been made according to Scoutmaster Robert W. Townley, to take care of seating the general public, who are urged to take this opportunity of seeing the boys in action.

As a special feature of the program, Ken Maynard's latest Western picture will be shown through the courtesy of Roy C. Seery, an official of the First National Pictures' corporation, producers of the film.

The program has been arranged as follows:

- Event 1, Scout drill teams, composed of eight boys and a scout leader.
- Event 2, Knot tying between teams composed of five Scouts each.
- Event 3, Semaphore between teams of four boys each.
- Event 4, Making fire by friction; teams to be composed of three boys, each of whom must make fire.
- Event 5, O'Grady drill with all troops participating.

Mr. and Mrs. Isadore M. Portis of 822 Tower road have gone to Florida.

Edna M. Cummings Takes Position at Girls' Club

Edna May Cummings of 1332 Forest avenue, Wilmette, is leaving to assume the position of physical instructor at the new Philamathia Girls' club just completed in Palmer Square, Chicago. She has extended an invitation to all her north shore friends to attend the reception and entertainment to be given at the club March 4.

Mrs. Cummings, prior to her marriage, was a dancer and played the role of premier danseuse in the musical comedy success, "The Silver Butterfly," which played in Chicago a few years ago.

Those who wish to attend the reception are requested to communicate with Mrs. Cummings at Albany 8423 after February 16.

Lycoming Engine Used in Elcar 8-82 Series

The Lycoming Manufacturing company, Williamsport, Pa., has brought out its new series G eight-in-line engine, developing 62 horse-power at 3,300 R. P. M. It is a long stroke, L-head type, with block and crankcase cast as a unit. These features are incorporated in the Elcar 8-82 series, according to C. A. Fridman, of Wilmette, north shore Elcar dealer.

Mr. G. M. Herman of 82 Essex road, Kenilworth, returned a week ago from New York city, where she spent three weeks.
