**Will Give A Series of
Tuesday Evening Lectures**

Dr. and Mrs. Howard C. Ballenger have opened their home at 1340 Asbury avenue, for a series of Tuesday evening lectures, by Rev. James Austin Richards, on the four topics, "Do We Need Religion?" "What Religion Does"; "How We Grow in Religion" and "The Time Table of Religion." This is a new movement in the parish life in which the ministers expect to hold neighborhood meetings in different parts of the village.

**Greeley Pupils Hear Folk
Songs in Assembly Program**

A musical program, composed mainly of folk songs, was presented by Miss Esther Woods, musical instructor at the North Shore Country Day school, in an assembly program at the Greeley school Thursday morning. Miss Woods was accompanied by Miss Jean Hislop on the piano. The program was given in connection with the musical appreciation series of the Greeley school and was greatly enjoyed by the children.

**Plan Inspection
of Places Where
Food Is Handled**

Dr. H. A. Orvis, health officer of Winnetka, announces that arrangements have been made for an inspection of places where foods probably are prepared or sold, in the village, such inspections probably to be made monthly. A system for keeping accurate records of this sanitary inspection has been provided in the form of report sheets, in which any deficiency in either of two sections, that of equipment or methods of handling such foods, are recorded, and all combined to establish the score or credit to which the place inspected is entitled.

Dr. Orvis states that in some places where this method is in practice, cards are displayed, following such inspection indicating that the inspection has been made and also the grade which the inspection justified.

He said he has not decided that this practice will be adopted in Winnetka. It has many features commending it, he said, and in some places, the merchants use the display of such cards as a valuable asset to their business, the public being assured that claims for sanitary features of such stores receiving the cards are entitled to them. All strive to obtain and retain them.

Mr. and Mrs. Henry Taylor, Jr., 431 Essex road, Kenilworth entertained informally at a dinner bridge Wednesday evening, February 9.
