Mrs. Charles H. Eldred of Hibbard road, entertained at luncheon and bridge on Friday, February 11, in honor of Mrs. Samuel S. Dingee of Wausau, Wis.

Christian Science Churches

"Soul" was the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, February 13.

The Golden Text was from Proverbs 19:8, "He that getteth wisdom loveth his own soul: he that keepeth understanding shall find good."

Among the citations which comprised the lesson-sermon was the following from the Bible: "And there sat a certain man at Lystra, impotent in his feet, being a cripple from his mother's womb, who never had walked: The same heard Paul speak: who stedfastly beholding him, and perceiving that he had faith to be healed, Said with a loud voice, Stand upright on thy feet. And he leaped and walked" (Acts 14: 8-10).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The Science of Christianity comes with fan in hand to separate the chaff from the wheat. Science will declare God aright, and Christianity will demonstrate this declaration with its divine Principle, making mankind better physically, morally, and spiritually" (p. 466).
