Floy Little Bartlett, 711 Sheridan road, violinist, accompanied by Mrs. Valona Brewer, violinist of the Columbia School of Music, presented a delightful program for the elementary school children throughout the city of Chicago, Wednesday morning, February 23, over station WMAQ in Chicago.

The program consisted of two selections, "Caprice" and Spanish "Bolero," both of which were composed by Mrs. Bartlett. In addition to these violin duets, which were accompanied by Mrs. Arthur Dean of 441 Willow road, Mrs. Bartlett gave a talk on Mozart. Elementary school children all over the city and North Shore tune in on these programs, it is said, as a feature of their assembly programs and musical appreciation courses.
