

P. T. A.'s of Four Schools Will Hear Clara Judson Talk

Clara Ingraham Judson is to speak before the joint meeting of the Parent-Teacher organizations in the four Winnetka public schools, Tuesday night, March 1, at 8:15 o'clock.

Miss Judson has just completed the publication of her twenty-ninth book for children. She has a remarkable record of having published 6,000 magazine articles. In addition to her literary work, Miss Judson was asked by the treasury department of the United States government, shortly after the war, to speak throughout the country, against profiteers. It was her task to teach people intelligent buying. Later, the department of justice of the United States government asked her to discuss the same problems through the country.

Miss Judson is an authority on home-building, and was the chief speaker at the American Home exhibit at Des Moines, Iowa. She is very anxious to have questions put to her and is just as anxious to answer these questions, along the line of allowances for children, budgets, and allied topics.

A slight change in program for the Institute of Government which is to be conducted by Northwestern university, in co-operation with the Illinois League of Women Voters, is announced by the committee. Course IV on International Relations, taking place at 3 o'clock, has been rearranged as follows: "Raw Materials in World Politics" will be discussed Friday. "Chemistry in World Affairs" will be discussed Wednesday. "Inter-American Problems in the Foreign Policy of the United States" will be discussed Thursday.

Have Your Trees Removed Now!

Before the grass comes up, let me remove the unsightly or dead trees. If you wait, it will mean that your green lawn will be tramped on and ruined.

Trim Your Shrubs Before They Sprout

Before the Green Buds show their faces is the time to have your shrubbery clipped and evened up.

SOME THINGS WE CAN'T DO

We can't make an old horseless carriage look like a modern car. But we can make a sick car look like a healthy one. Such are the uses of a superior repair service.
