**Cites New Improvements
in Dodge Brother's Cars**

Gear shifting at the slightest touch and smoother, more gentle application of power are credited to an improved clutch which its now used in all Dodge Brothers motor cars. "Of the many advantages which the new design offers, the one which appeals most to the lady driver," says William T. Wersted, of the Wersted Motor company, local Dodge Brothers dealer, "is the unusually soft pedal action. It seems remarkable that a mechanism which controls the application of so much power can be operated with so little muscular effort as is now required to push the clutch pedal down.

"Despite the unusual smoothness and gentleness with which the clutch takes up its load its hold is positive when engaged. But the feature which appeals most to all drivers is the remarkable ease with which the gears can be shifted. In some cars it is necessary to hold the clutch depressed for a few seconds before shifting the gears into speed to avoid a noisy shift. Everybody who drives the Dodge Brothers car of today is instantly impressed with the ease and silence with which the gears can be shifted while the car is getting under way and with the ease with which they can be shifted down into a lower speed when traffic or road conditions necessitate.

Dr. and Mrs. Harold J. Lynn of 1046 Gage street are being congratulated upon the birth of a daughter, Barbara Nanette, Sunday, February 13, in the Highland Park hospital.

Charles Schwartz of 187 Ridge avenue, left Tuesday, February 22, on a short business trip through Michigan. He expected to return about Sunday, February 27.

**Changes in Cage
Standings Occur
in Two Sections**

Changes in team standing in the Skokie-Country Day basketball league have occurred mainly in the two girls' divisions. In the girls' lightweight section the Blackbirds have superseded the Streaks in first place; while the Emeralds have succeeded the Bluebirds in a like position in the girls' middleweight division.

The Eagles still maintain the lead among boys' lightweight teams; the Demons a corresponding position for the boys' middleweights; and for the boys' heavyweights North Shore Country Day holds the undisputed title. The team standings are as follows:
