Christian Science Churches

"Mind" was the subject of the lesson-sermon in all churches of Christ, Scientist, Sunday, February 20.

The golden text was from James 1:5, "If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him."

Among the citations which comprised the lesson-sermon was the following from the Bible: "O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out! For who hath known the mind of the Lord? or who hath been his counsellor? For of him, and through him, and to him, are all things: to whom be glory for ever. Amen." (Romans 11:33, 34, 36).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The world would collapse without Mind, without intelligence which holds the winds in its grasp. Neither philosophy nor skepticism can hinder the march of Science which reveals the supremacy of Mind" (p. 209).

Mrs. Edwin Bluthart, 415 Essex road, Kenilworth is entertaining a few of her friends at a bridge luncheon today.

Sculptor Gives Pupils a Lecture on His Artistry

In connection with the art and sculpture exhibition now being held at the Joseph Sears school, Kenilworth, under the direction of Superintendent E. L. Nygaard, an illustrated lecture on sculpturing was given Wednesday afternoon, February 16, by Emory P. Seidel, noted Chicago artist.

Practically every phase of sculpturing was dealt with, Mr. Seidel modeling meanwhile an image of Virginia Johnson, one of the Kenilworth pupils. As he completed his work on the clay model, he continued his talk by explaining how the forms for casts are made and demonstrated this phase of the work by covering the image with plaster of paris. This plaster covering is carefully removed from the original model, he explained, and into the hollow mould thus formed, is poured the material from which the statue or bust is to be made. Mr. Seidel also explained the use of the various tools and the technique involved in marble modeling.

Mr. Seidel is one of the most noted of contemporary sculptors, dealing with child or older subjects with equal ability, it is said. Two of the best known of his works, "Dancing Girl" and "Baby's First Pose," were among those shown at Wednesday's exhibit.

North Shore Men Guests at Luncheon for Nobleman

The Earl of Dunmore, V. C., of London, who has been in Chicago several days as the guest of Henry H. Brigham, president of the North American Car corporation and a resident of Glencoe, was given a luncheon Friday noon, February 18, by Charles W. Folds, in order that he might have the opportunity to meet a group of Chicago's leading business men.

North shore men who attended the luncheon included the following: Henry H. Brigham, Erwin R. Brigham, Clarence T. MacNeille, Gordon A. Ramsay and August Ziesing of Glencoe; Charles H. Coffin, Walter A. Strong, of Winnetka; and Roy C. Osgood of Kenilworth.

The Earl's mission here was to complete contractual relations on export business with the North American Car corporation.

Prep Track Athletes Eye Annual Northwestern Meet

Outstanding high school track and swimming stars of the Middle West will attend the Fifteenth National Northwestern Interscholastic games to be held in Patten gym at Evanston March 26, 27. Invitations have been sent out to over 1,500 schools throughout the country and the largest entry list in the history of the meet is anticipated.

Last year the games attracted an entry list of over 500 prep school athletes. The Northwestern interscholastic has gained considerable prestige during its long existence and each year finds many more schools applying for entry.

Mr. and Mrs. Harry W. Mons, 157 Woodstock avenue, Kenilworth have just returned from California where they were the house guests of Mr. and Mrs. A. W. Wigglesworth at Pasadena.

Mr. and Mrs. Olmstead of Milwaukee spent last week-end visiting Mr. Olmstead's sister, Mrs. Bentley McCloud, 338 Kenilworth avenue, Kenilworth.

Illinois was the destination of 20,176 immigrants in 1926.

A STUNNING ARRAY OF NEW IDEAS

A complete collection of Spring Fashions now opens our season opportunely, with distinctive style and value quickly inspiring confidence. Your new Frock is here—a revelation in smartness of style, fabric, color, with convincing price appeal.

Early selections are advantageous. The best values go first. Our spring line is now at its best, with the newest modes in one and two-piece Dresses, three-piece Costumes, including our stunning Composé innovations. Prices average from \$19.75 to \$45.00.

Hart Schaffner & Marx Coats are the big feature in our spring wraps—the ultimate in good taste and value.
