

**United Realty Co.,
Develops Big Tract
in West North Shore**

Another large section of acreage, the greater part of which is already in the village limits of Northbrook, is being subdivided into village lots and the plat will be presented to the village board at its next meeting on the evening of March 1.

This is the land lying north of the Dundee road and for the most part east of the new Skokie Valley route, acquired some time ago by the United Realty company.

There are 114 acres in what was known as the Noble farm and about thirty-five acres in the Henry Kelling farm, adjoining it.

Both of these tracts, which the United Realty company is subdividing and will submit for approval to the Village board March 1, are virtually all within the corporate limits of the village and steps already have been taken to bring in the small portion which is not already annexed.

The new super-highway or the proposed 100-foot continuation of Cicero avenue which is to parallel the Skokie Valley route, will pass through this tract, for which the United Realty company is making provision. This company, it is said, owns approximately 700 acres along the Skokie Valley route from Glenview road to this tract, including the large subdivision at Wau-Bun. The land which this company has dedicated for the new through highway, is estimated to be worth \$86,000.

Mrs. Delbert W. Poff of 739 Walden road, entertained the eight members of her card club at luncheon and bridge, Monday, February 21.

**Quinlan and Tyson Name
Wilmette Representative**

Lewis T. Dodds, manager of the north shore department of Quinlan & Tyson, Inc., announces the appointment of Carl R. Gurshin of Boston, Mass., to the north shore department of that firm, specializing in Wilmette properties. Mr. Gurshin has had seven years' experience in real estate in Boston and Lynn, Mass. and comes very highly recommended.

This completes the personnel of the north shore department as the Kenilworth and Winnetka area is taken care of by Frank N. Orndorff, Glencoe and Highland Park by Philip V. Jewell, and Glenview and Wheeling acreage by Robert Richardson of Glenview. Mr. Dodds is handling the acreage west of the north shore villages.
