

Two New Policemen Added to Force at Kenilworth

Two additional men have been added to the Kenilworth police force, it was announced early this week, the increase being made in order to afford still better police protection to the village at large. While Kenilworth has been comparatively free from mo-

lestation on the part of vagrants, this precaution was deemed advisable and made effective. The men who have been appointed to the positions are Martin Tirseth and Herman Richter.

Mrs. A. J. Pullon of 1158 Asbury avenue, left Hubbard Woods, Tuesday, February 16, for an extended trip to California. She is visiting friends in Pasadena, and expects to remain five or six weeks.

Wilmette Boy Features in Kemper Swimming Victory

Austin M. Zimmerman, of Wilmette, is a member of the Kemper Military school mermen, who recently defeated the Kansas City, Kansas, High school and Junior College tank men by a score of 29 to 11.

The 160 yard relay, in which Zimmerman participated and which was won by Kemper, was, according to the report by Kemper paper, the most exciting and best race of the meet, for it decided the result of the match. After the first forty, Zimmerman took the water with a handicap of two yards, but turned a lead of three over to his team mate, Wallschlaeger, who held his own and Ferguson finished the meet with a five yard lead.

In the 100 yard breast stroke, which was won by Kansas City in 1:22, Zimmerman finished second.

North Shore Scout Area to Have Troop for Men

Many North Shore fathers have expressed an interest in learning more about the plan and procedure of Boy Scout work. Many scout leaders have wished that they might have had the privilege of membership in a Scout troop. To meet these needs the North Shore Council has announced a "Troop for Adults," to begin Thursday night, March 17, at the Area office, 16 North Sheridan road, Highland Park.

Peter N. Jans Promoted to Be District Manager

Peter N. Jans, north shore manager for the Consumers company, has been promoted to the position of district manager for the company, it was announced this week. His territory extends from Rogers avenue to the state line and from the river to the lake. With the addition of new yards on Willow street in Winnetka and on Deerfield avenue in Highland park there are now nine yards in Mr. Jans' district. A survey is now being made of the territory to the north and west for the purpose of increasing distribution. Mr. Jans has full charge of the operation of the yards and the sales of coal, coke, and ice and building material in this district. He is also a member of the company's operating committee. He has established his district offices at 1015 Church street, Evanston.

E. J. Sherwin, long connected with the Consumers company succeeds to Mr. Jans' position as Evanston manager.

Civic Orchestra Gives Concert Sunday, Feb. 27

The Chicago Civic orchestra, an organization which functions under the auspices of the Civic Music association and is directed by Frederick Stock and Eric DeLamarter, will give the second of its four concerts in Orchestra hall, February 27, at 3:30 o'clock. These Sunday afternoon concerts have achieved great popularity with music lovers who find it difficult to go to concerts at night or those which are given on week-days.

The program selected for this performance, will include the "Scotch" symphony by Mendelssohn, Ce Rubini's "Overture to Anadreon," Albeniz, "Catalonia," the "Elegie" for string orchestra by Tschaiowsky, and the suite from the ballet "Sylvia," by Delibes.

PRAISES VARSITY THEATER

Two pages of pictures, for the most part those used in THE EVANSTON REVIEW are given by the current number of the "Exhibitors' Herald" to the new Varsity theater. In an article about the Varsity the Herald says, "The new Varsity theater, recently opened in Evanston, is the first theater perhaps in America, certainly in the Middle West, to be designed in the beautiful style of the French chateau. Architect J. E. O. Pridmore was requested by the University theater company to design a playhouse on unique lines and to be essentially different from any previously constructed theater. The result is considered to have justified the highest anticipations of the owners and the cultured city of Evanston." The publication described the auditorium as "one of the largest, most commodious and beautiful in the entire North Shore," and declares that the visitor there experiences his "greatest thrill."

L. M. Stoddard of 582 Provident avenue has left the village on a month's trip to Denver, Arizona, New Mexico, and Texas.

Beauty Lies in Healthy EYES

It's not so much the size or color of the EYES that makes them beautiful. Rather, it's the glow which radiates from them. Unless kept always clean and healthy, EYES lack this alluring lustre.

Millions of women throughout the world promote EYE health and beauty with Murine. It cleanses EYES of irritating particles and keeps them clear and bright. Contains no belladonna.

Our illustrated books on "Eye Care" or "Eye Beauty" are FREE on request.
