

## Special Sale March 5th to 31st

### A \$5 Down Payment

installs a HOME INCINERATOR in the basement of your home. It eliminates the disagreeable trips through rain and snow to the garbage can; your basement will be free from inflammable accumulations of paper, oily rags and rubbish, and out of danger of fire to your property and that of your neighbors with open bonfires.

#### Facts to consider about The Thor Cylinder Washer

washes absolutely clean and safe.

Cylinder in which clothes are placed is smooth glass, and cannot harm the daintiest fabrics.

Cleans everything from Rag Rugs to Silk Lingerie, quickly and safely.

The last bit of work taken out of ironing with

#### Thor Gas Heated Ironer

Folds to size of kitchen chair.

The new Thor 30 Folding Iron is almost human in the work it will do. It irons everything beautifully; shirts, soft collars, lingerie, ruffles as well as flat pieces. It presses trousers too.

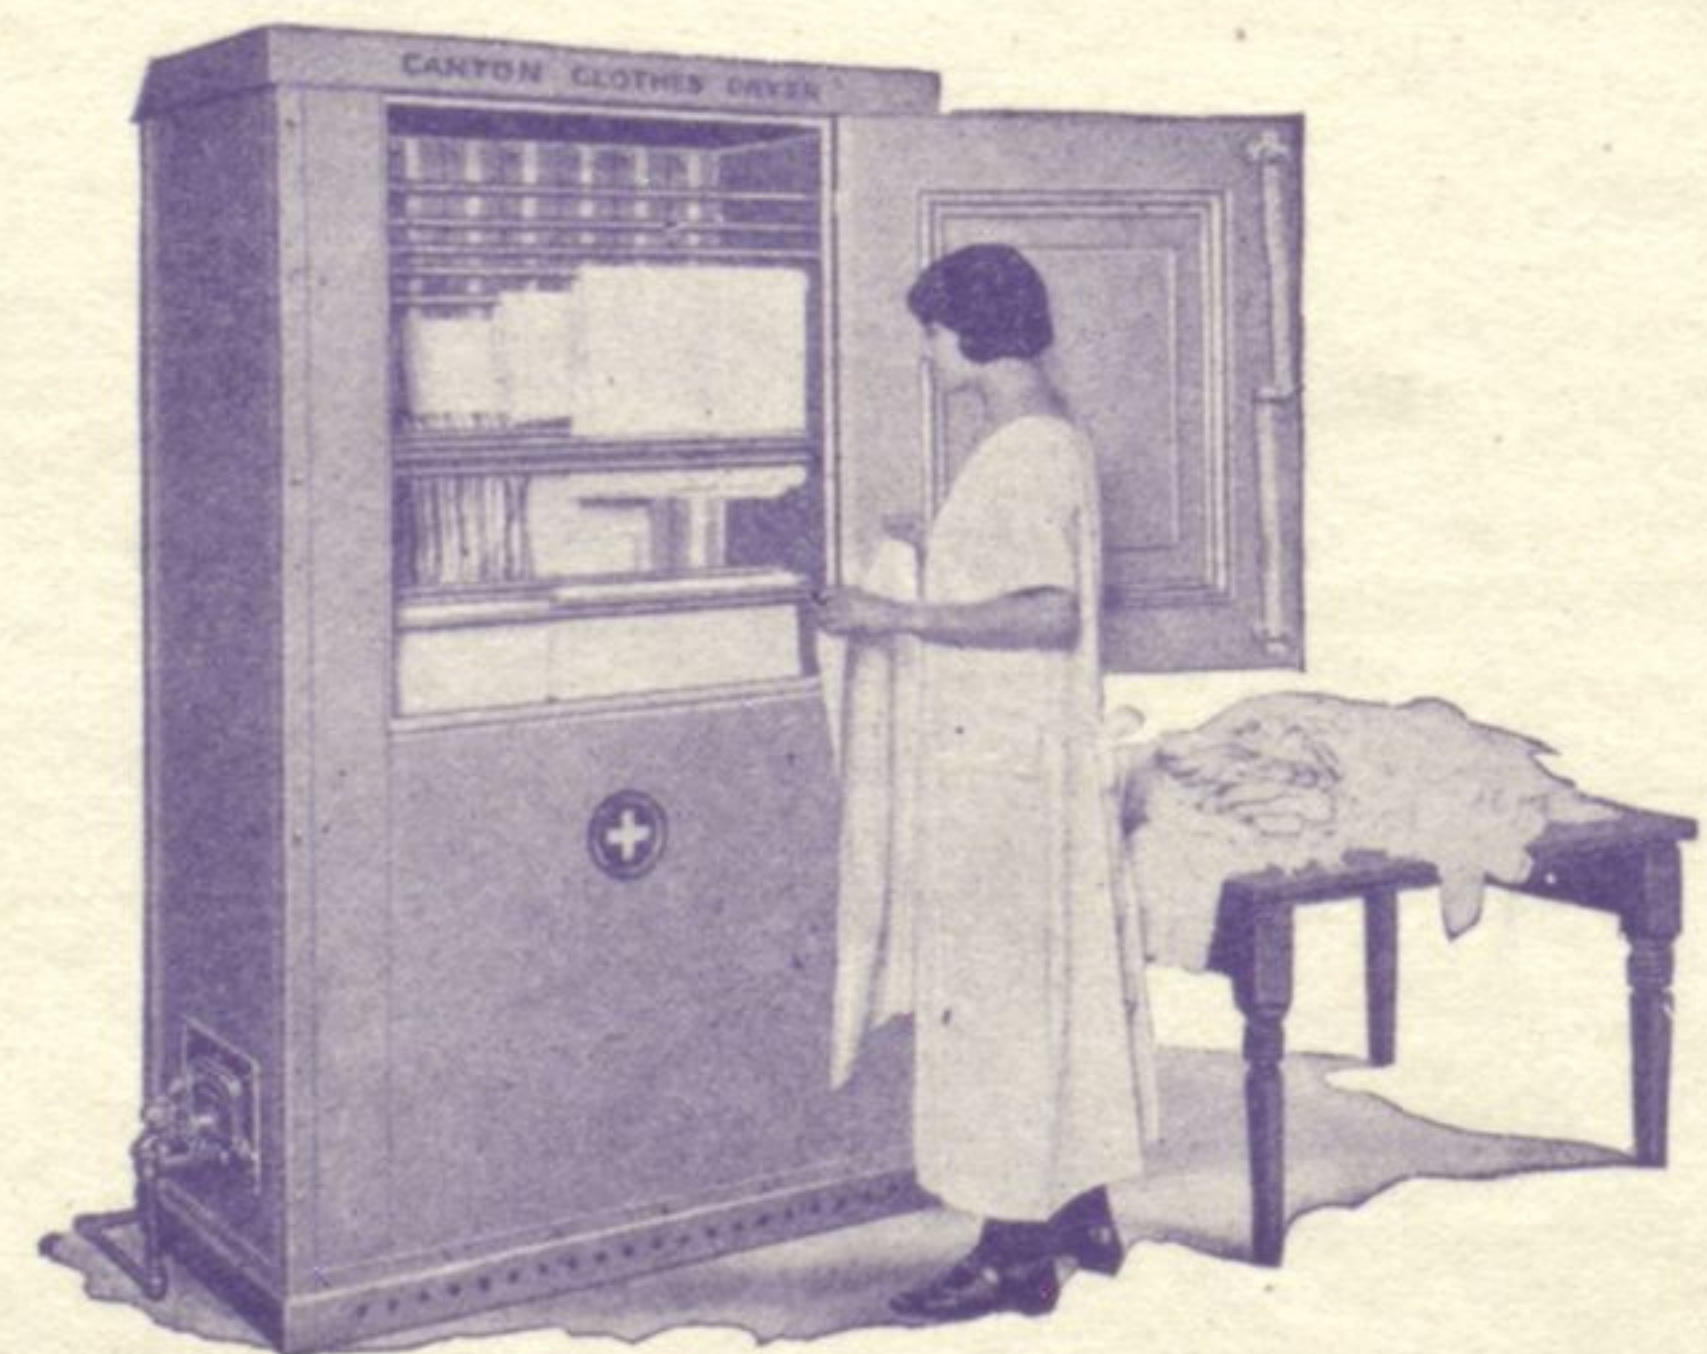

### THE CANTON CLOTHES DRYER

Made in all sizes; small enough for a bungalow, large enough for the largest apartment or institution.

*DRIES - BLEACHES - STERILIZES*

Only pure radiated heat comes in contact with the clothes.

A small down payment (\$5) and easy monthly terms puts one of these dryers in your home.

*The logical place to buy your Gas Burning Appliances*
