

Pure Rich Cream

Far Greater Quantities
of It Go Into **HYDROX** than the
State Laws Require

That's what makes Hydrox Ice Cream so much richer, so much higher in food value and so much more nourishing than practically any other good food you can buy for the table.

There's real economy, too, in serving a food that contains so much real goodness at so low a cost.

Make Hydrox Ice Cream a part of your dinner tonight.
