# TAXES!

## Be Prepared in 1928

ARE you prepared to pay your taxes now due? If not, doesn't it occur to you that by starting a SAVINGS ACCOUNT for this particular purpose, you will be relieved of this financial worry next year when your taxes will again be due?

What was your tax for last year? Pro-rate it. A SAVINGS ACCOUNT, stimulated with regular monthly deposits, will be a starting point to having enough currency on hand to pay your taxes when again due. Keep your deposits up regularly, and by next spring you will have no cause to worry.
