

International Club Now New at National College

The International club, organized last week by the foreign students of the National Kindergarten and Elementary college, promises to be an unusually interesting and worth while organization. Twelve students from foreign countries, founders of the club, together with an equal number of American students, selected from the list of applicants because of outstanding interest in foreign countries, form the active membership for the present year. Former students of the college who came from other countries or who are engaged in work in other countries, are eligible to associate membership.

The club will make a study of the conditions and problems which must be faced in other lands, with the hope of fostering a better understanding and a truer friendship between individuals, and eventually between nations.

Miss Penka Kassabova of Sophia, Bulgaria, a sophomore, was elected chairman of the club, the membership of which includes the following students from foreign countries:

Dagne Aquist, Sweden; Jane Gdulewicz, Poland; Madelyn Chen, China; Alice Ling, China; Vera Hunte, British West Indies; Clara Tutt, and Florence Tritt, Canada; Lucy Russell, missionary to Japan; Anna Brumbaugh, missionary to India; Edith Shufelt, missionary to China; Elizabeth Hobart (of Evanston), missionary to China.

Scout Leaders Inspect Cabin Site in Preserve

Logs are being gathered and work will soon begin on the actual erection of the cabin, which is to be 20x40 feet, and will contain a fireplace. The cabin is being secured for the Boy Scouts of the north shore area, largely through the efforts of County Commissioner Oscar W. Schmidt, of Wilmette.

Kotz Shoe Company Opens New Store in Evanston

The recent opening of the new Kotz Evanston store, at 619 Davis street, marks the seventh store in the Kotz chain of popular priced shoe stores.
