

## NEW TRIER CAGERS TROUNCE EVANSTON

### North Shore Heavyweights Add More Laurels to Great String of Wins; Lights Lose

Honors were even when the final whistle blew on the cage contests at Beardsley gymnasium in Evanston Friday night, February 25. To Evanston went the high side of the score in the lightweight division while the New Trier heavyweights had an easy walk-away on a doubled score in the second of the two tilts.

When Coach Duke Child's light string stepped out upon the floor for the first of the two games they walked into as fast and exciting a cage battle as has been waged this year. While the final score dealt out bad news to the tune of 19 to 17, the township bunch carried a wallop in their work throughout and not until after the final gun, could Evanston claim the match.

Evanston led off at the outset with a three point lead but at the end of the first quarter the score stood 7 to 3 with New Trier swinging the whip end. The half ended 11 to 6, likewise in the local favor and apparently the boys were off for their second win over Evanston. At the end of the rest period, however, the Wildkits took the floor refreshed and four minutes after the toss-up had tied the score. A second later a basket by Culver placed Evanston in the lead and a pair more, donated by Mendelius, gave the south-downers a point lead, New Trier having annexed a goal of their own in the meantime. In the final minute, New Trier showered down two more while Evanston kept ahead by looping the final basket of the game. As the gun cracked both teams were holding the ball after the jump.

With the heavies the tale was entirely different. New Trier, staging a come-back from their defeat at the hands of Morton on February 19, rang up one field goal and 11 free throws, giving them the long end on a 13 to 7 score by the end of the half. The first quarter turned out to be the only tight period in the game, ending with New Trier in the lead 7 to 6. From then on the local boys tuned in on all five and slid through for a 30 to 15 win.

The heavyweights now find themselves on the last lap before the coming district tournament, which will be played at Waukegan the latter part of next week. Providing they can down Deerfield and Waukegan in the meantime, they will enter the tourney as champions of the old Suburban league.

## Charles T. Boal Dies in Kenilworth Feb. 24

Charles T. Boal, a pioneer Chicago hardware merchant and well known real estate man, passed away at the home of his daughter, Mrs. S. D. Flood, in Kenilworth, at the age of 94 years, Thursday morning, February 24. He was born in Reading, Pa., in 1832. Coming to Chicago at the age of 21, in 1854, became associated with the firm of Hall, Kimbark and com-

pany, wholesale iron dealers, in which he later attained a partnership.

Mr. Boal recruited a company of volunteers in the Civil war and served as an officer in the 88th Illinois Volunteers until the end of the war. Upon his return to Chicago after the war, he engaged in the hardware business, in which he continued until the great Chicago fire when his plant was destroyed. He later established a wholesale hardware and hollowware business. In 1894 he became interested in the real estate business.

Mr. Boal was the oldest member of

the Chicago club and was also a member of the Loyal Legion.

## MISS HELEN I. POPE DEAD

Miss Helen Isabella Pope passed away at her home, 904 Lake avenue, Wilmette, Thursday, February 24, at the age of 52. She had been ill for several months. She is survived by a sister, Miss Mary Ada Pope, and two brothers Henry A. Pope and William H. Pope. Miss Pope had been a resident of Wilmette for twenty-six years and enjoyed a wide circle of friends.

## Two Principles

ALEXANDER GRAHAM BELL discovered an electrical principle upon which a great communications art has been founded.

Those who undertook to give practical value to his discovery likewise left to their successors a principle of service, that has been developed into an intercommunicating system of over 17,000,000 telephones.

Both of these principles were built upon and developed with the same objective,—that of enabling men to talk one to another easily, conveniently, cheaply. With nation-wide telephone service already an accomplished fact, these principles still continue to act and react upon each other, producing new ideals of service, new goals toward which to strive.
