Winnetka Couple Die in Florida Airplane Crash

Funeral services for Mr. and Mrs. Walter A. Glos 14 Indian Hill road, Winnetka, who were killed in an airplane crash near Tampa City, Fla., last Friday, were held early this week in Miami, Florida. The bodies were brought north to Elmhurst, former home of Mr. Glos, for burial.

The accident in which Mr. and Mrs. Glos met their death occurred shortly after the plane in which they were riding had taken off at Tampa City, bound for Miami, Florida. Shortly after clearing the Tampa City limits the plane, piloted by H. J. Brady of the Florida Airplane corporation, was seen to suddenly begin a landing, bounce erratically and crash. The pilot managed to extricate himself but Mr. and Mrs. Glos perished in the flames which immediately enveloped the wreckage. At a Tampa hospital, Brady, though in a semi-conscious state, attributed the accident to the fog which covered the country.

Mrs. Glos, with their two children, had been visiting in Miami and Tampa City with her parents and sister. There they were joined a few days before the catastrophe, by Mr. Glos, who had rushed south to be with his family in time to celebrate the birthday of their son, Gardner. The accident occurred as they were returning to Miami to begin their trip back north.

Mr. Glos was an attorney and also the president of Glos and Bates real estate company of Chicago. He is survived by his parents, Mr. and Mrs. Jacob Glos a brother, Albert H. Glos, and two sisters, residing at Elmhurst. Mrs. Glos is survived by a sister in Miami and her parents residing in Tampa.

Service that makes MILWAUKEE a next door neighbor!

IT WASN'T so many years ago that North Shore towns had less frequent transportation service to Chicago, at many hours of the day, than they now enjoy, all day long, to Milwaukee!

That may seem surprising, but it's true nevertheless. Today, on the North Shore Line, there is service every hour to Milwaukee. Limited trains from here make comfortable connections with fast Milwaukee trains at North Chicago Junction.

No matter what time of day you want to go—morning, afternoon or evening—the same hourly service is available to you. North Shore Line takes you direct to the heart of Milwaukee's business district—Sixth and Sycamore—saving you time and taxi fare.

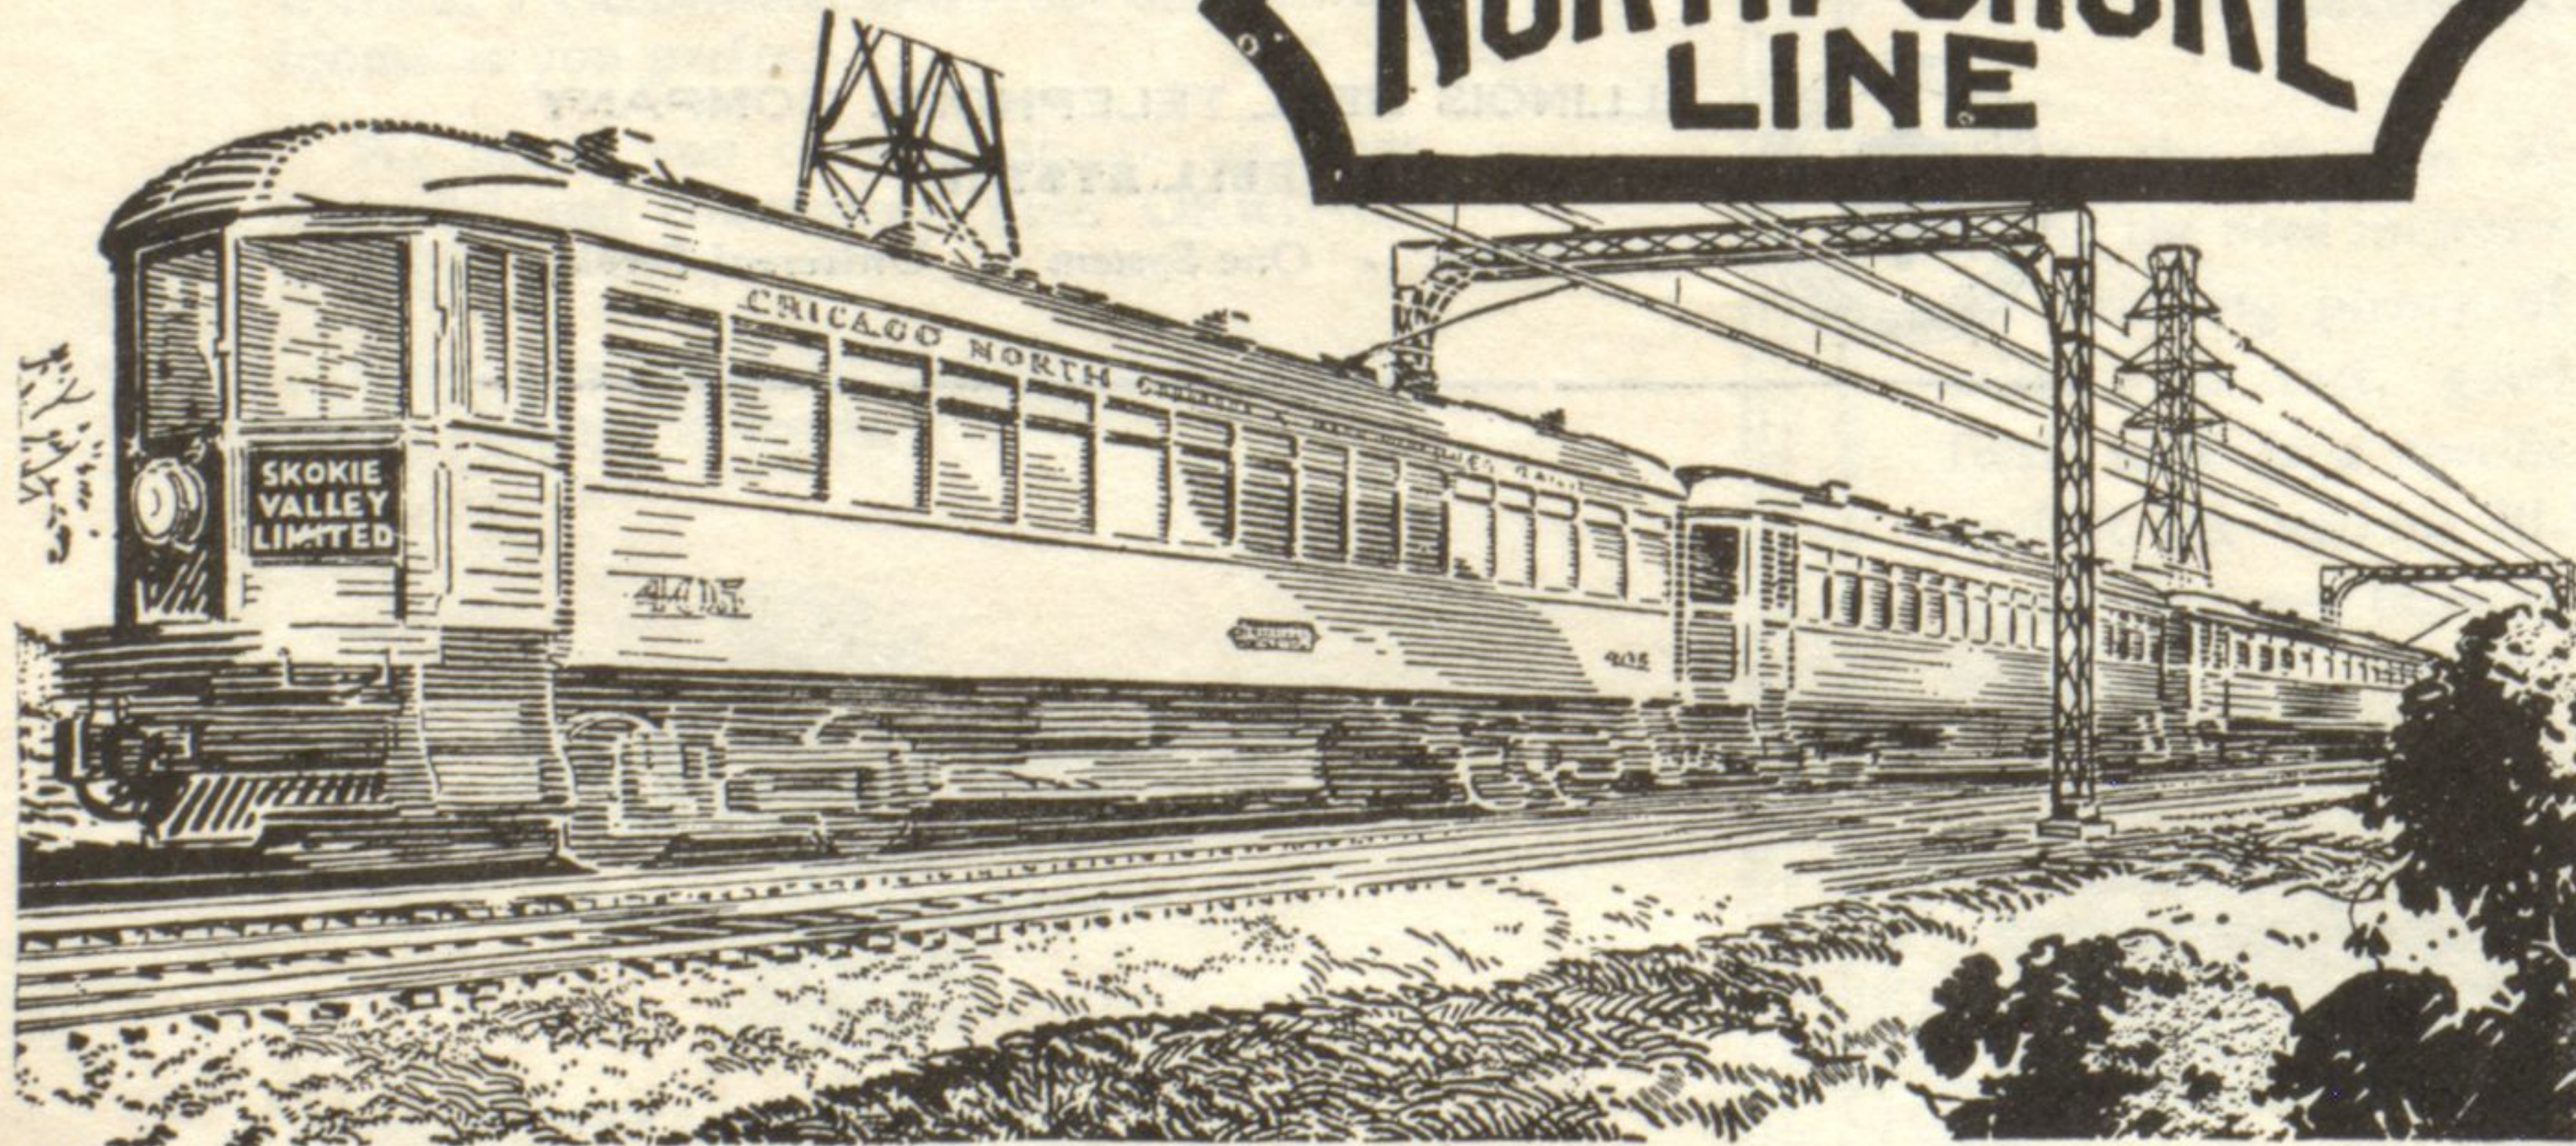

Go this fast, clean, smokeless way. Dining cars at meal times on Milwaukee trains; parlor-observation cars at scheduled hours. All Milwaukee trains stop at Kenosha and Racine.

Those desiring to take Milwaukee trains from Chicago will find our Loop Station (Adams and Wabash) and our North Side Stations (Grand Ave., Wilson Ave., or Howard St.) a real convenience. All Milwaukee trains stop at these stations.

For schedules, fares and other information, inquire at ticket office.
