New Postmaster

Joseph C. Braun, assistant postmaster at Winnetka for eight years, has been appointed postmaster here to succeed Elmer E. Adams, retired. Mr. Braun has given eighteen years to the postal service. He was at Wilmette for ten years, and came to Winnetka as assistant postmaster in 1919. He began his service as a carrier and is therefore thoroughly experienced in every department of the post office. On May 1 Mr. Braun will direct the removal of the Winnetka post office to its new location in the M. K. Meyer building at Elm and Chestnut streets.
