

**"A Working Faith"
Theme of Lenten
Discussion Series**

"A Working Faith" is the general subject of a series of five meetings for the study of the Bible, which have been outlined by a group of men and women of Christ church, and which will be held during the Lenten season at various Winnetka homes.

A direct outgrowth of the mission, held recently in the parish by Bishop Nathaniel S. Thomas of Wyoming, and aimed at carrying on with the thought and the impression so forcefully made by that week of intensive effort, these meetings will be led by the Rev. E. Ashley Gerhard, rector of Christ church. They will deal directly with a study of the Bible. Each session, however, will point at the development of a particular religious idea and the five together will elaborate the thought of a faith which works.

Monday is the evening chosen. Because, however, the conflict in dates with the day chosen for the Village caucus the first will be held on Tuesday, March 15, at the home of Dr. and Mrs. Frank W. Blatchford, 605 Arbor Vitae road. The other four will come on the remaining Monday evenings of Lent, and all will start at 8:15 o'clock.

The special topic upon which the thought of the first meeting will center will be "The Soil in Which It Grows." The following sessions will consider "The Difficulties Which It Must Overcome," "The Life Which It Inspires," "The Power to Which It Leads," and "The End towards Which It Moves."

While these meetings are being sponsored and arranged by a number of the men and women of Christ church, it is announced that they will be open to any of the people of the community who may care to attend.
