## Have Your Trees Removed Now!

Before the grass comes up, let me remove the unsightly or dead trees. If you wait, it will mean that your green lawn will be tramped on and ruined.

### Trim Your Shrubs Before They Sprout

Before the Green Buds show their faces is the time to have your shrubbery clipped and evened up.

## "Scotty" Decides to Forego Village Presidential Job

Adam Scott, more familiarly known about Winnetka as "Scotty," relieved somewhat the uncertainty which has prevailed for some time in local political circles by the announcement this week, that he has definitely decided not to run for President of the Village board this year.

"Scotty," who has had four years' experience in municipal affairs as a member of the Winnetka police department, stated he had been considering very strongly the matter of either heading a new ticket himself or organizing one which would represent his ideals of local government, namely, that of "administering the affairs of the village for the benefit of all the people and at a saving that would lower taxes."

But, he said, press of private business has made necessary the abandonment of the idea of running this year, although he may yet decide to come out for the office of marshal and collector.

"Scotty" is a landscape gardener and proprietor of the Black & Green Cab company.
