Walter A. Wood
as
Salesmanager

ONCE a business conducted in a small room; today the largest and finest equipped laundry on the North Shore, is the story in a few words of the remarkable growth of the Washington Laundry. Such progress is due to forty years of Quality work.

When an enterprise reaches such a development where Service becomes paramount, it employs a salesman. Mr. Wood fills this capacity with a background of many years' experience with nationally known concerns. Further progress will now be measured in two words—Quality and Service.

Foreseeing the need of a man of Mr. Wood's ability is indicative of the Washington Laundry's ever ready effort to "keep pace with the growth of the North Shore."

Help us grow!

New Trier Cagers in Division Play Over the Week-end

More traditional fur was to fly when New Trier walked on to the floor at 3 o'clock Friday, for her first game in the divisional basketball tournament, which is being held at Waukegan this week-end. Exactly why enemies of long standing like New Trier and Evanston should draw each other for their first tournament engagements can hardly be understood, unless the officials were afraid that the crowd might get bored with the ordinary variety of basket caging. However that may be, certain it is that the two will, for the third time this season, lock their mythical horns and battle, not only against elimination from the tournament but also for the season's last say in a private feud.

Accidents have been known to happen, even in the best of regulated tournaments, but since New Trier defeated Evanston on February 25 to the tune of 30 to 15, early dopesters have already scheduled the game for a ride on the ice. Over confidence, it is said, is not likely to prove a prop puller, and on that basis New Trier will probably meet the winner of the Arlington Heights, Wauconda and Gurnee matches at three the following afternoon.

The tournament is one of a number of such meets now being held throughout the state under the auspices of the Illinois Athletic association and is being played at the Waukegan gymnasium, which is said to be one of the finest in the Middle West. The winner of this meet is automatically held eligible for the sectional tourney which will be held at Joliet the latter part of next week. Provided they come through winners at Joliet, they are then entered in a subsequent state tournament at Champaign.

St. Francis to Open Ward for Children; Benefit March 25

A children's ward will be opened at St. Francis hospital this spring, according to an announcement made this week by members of the staff. The ward will occupy the sun parlor on the fourth floor, previously occupied by student nurses who are now accommodated in the new nurses' home. It will have capacity for 20 children to begin with, and additions will be made as there are demands for more space.

Partitions and other alterations are to be installed in the next few days as a preliminary to taking care of the little patients. At present children are cared for at St. Francis in the regular wards.

In order to raise money for furnishing the ward the Glenola club of Rogers Park is sponsoring a benefit musicale to be held Friday, March 25.

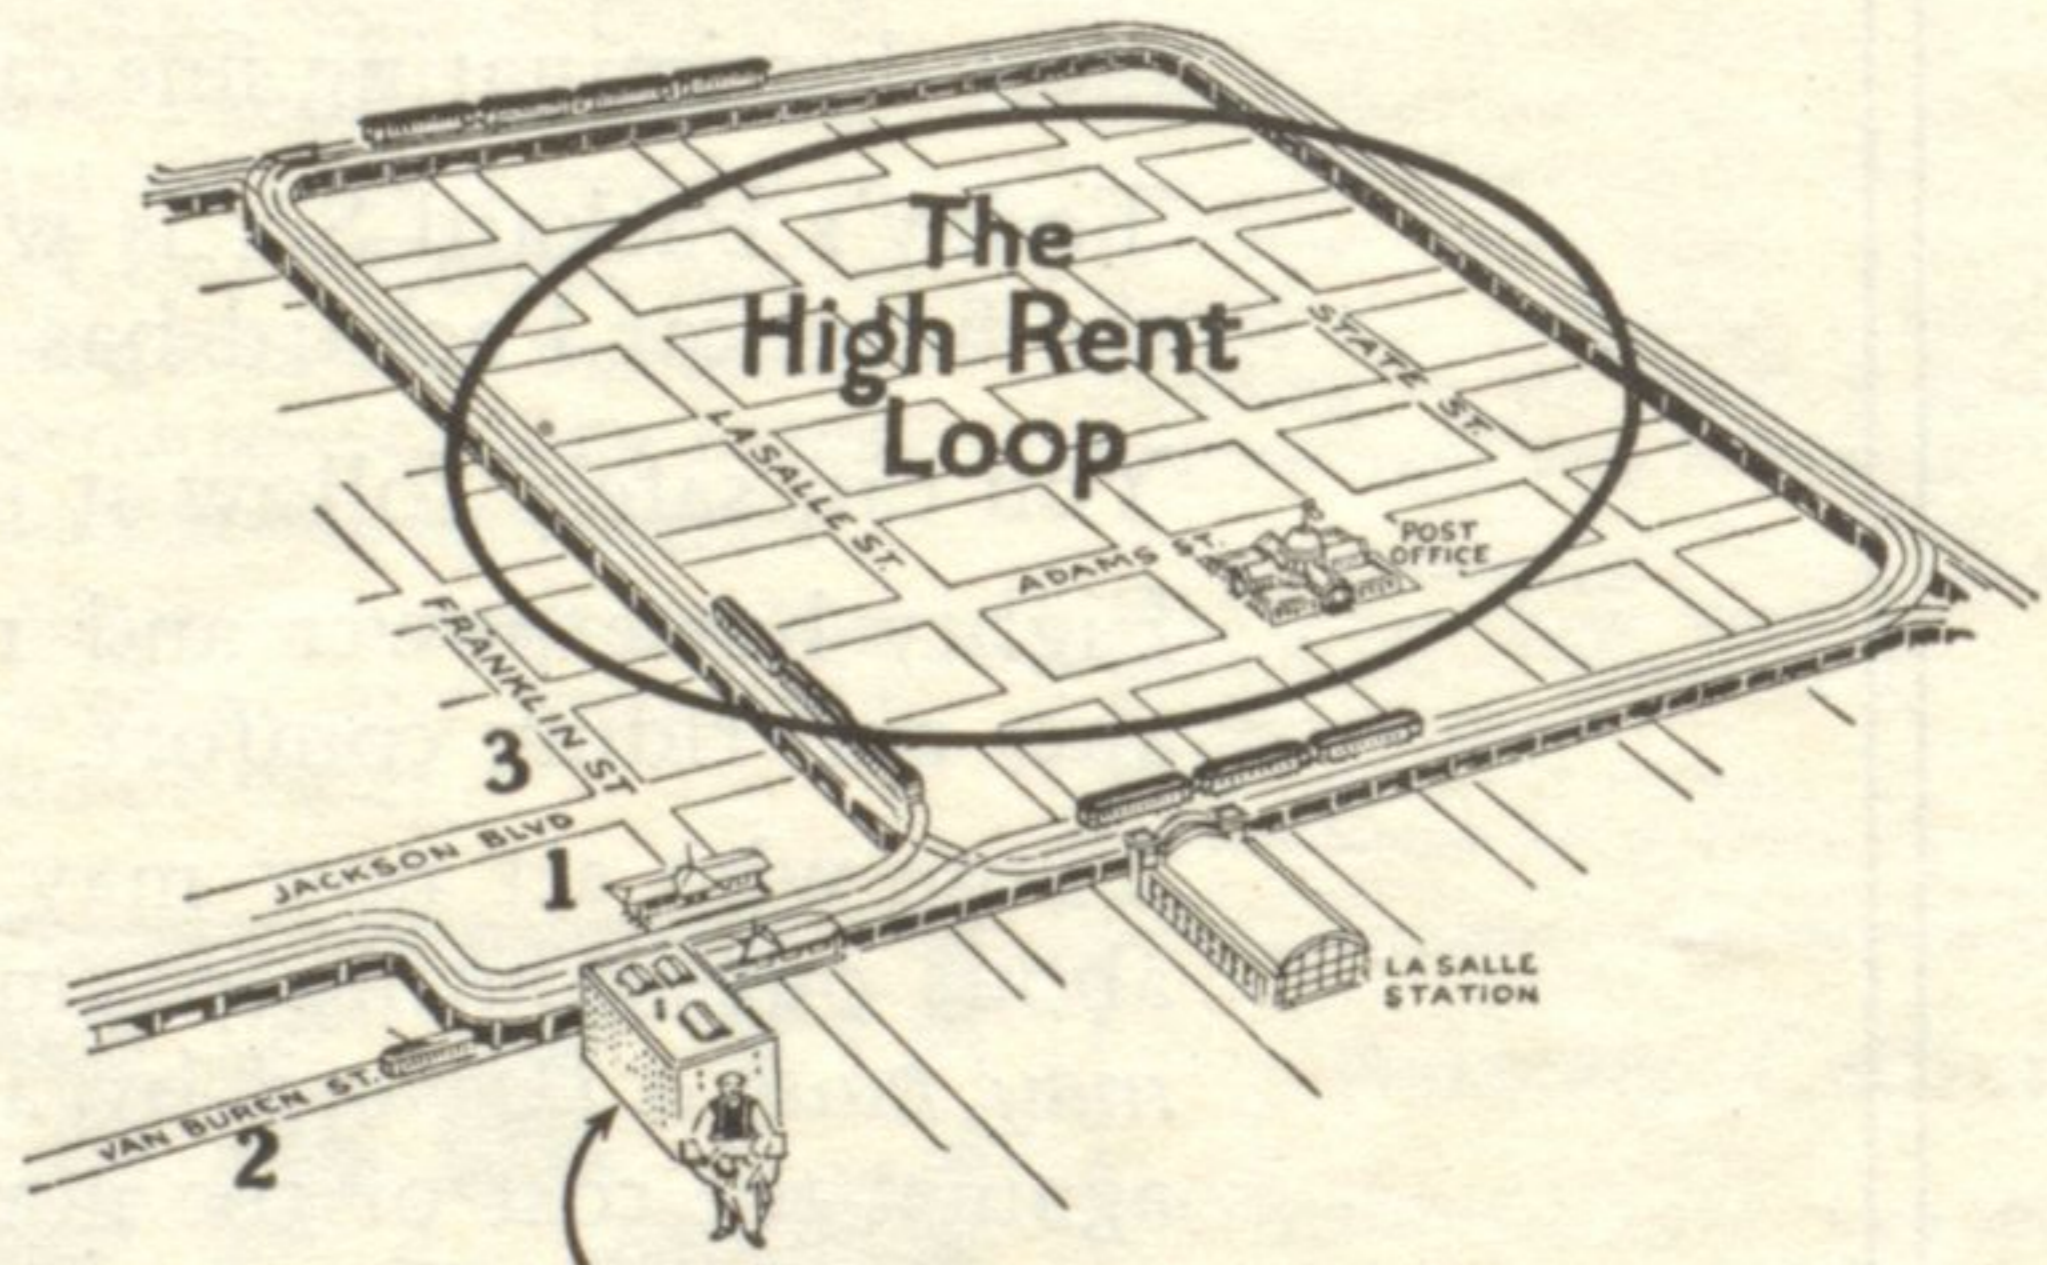

Sig. Francesco Daddi, the famous tenor, Lazora Laxman, Evanston soprano and Leah Shelters, accompanist, will present featured numbers, and there will be a concert by the New Trier High school band of which J. C. Schumacher is the conductor.

The benefit will be staged in the St. Ignatius auditorium, at 1300 Loyola avenue, one block west of Sheridan road.

Tickets for the entertainment are on sale at all north shore drug stores.

The Glenola club has adopted the children's ward as its especial enterprise.

The Kenilworth Home and Garden club held a meeting at the home of Mrs. John Marshall Roberts, 328 Warwick road, Kenilworth, on Monday, March 7.
