

## We Have Pioneered—You Enjoy Our Experience

Living in Europe, traveling in the Orient and India, dipping into Africa, jaunting from Nova Scotia to the Straits of Magellan, journeying from coast to coast scores of times—has given to the members of this Travel Bureau a breadth of experience for advising you on your travels that is distinctly unique on the North Shore and is hardly paralleled anywhere.

This month a trip to Cuba, Bermuda, even Central or South America would be delightful. This summer, perhaps, the Atlantic Coast, Alaska or the Rockies, the mountains or the sea shore will appeal to you.

Ask us, who have been there before you, how to go—where to stop—what to see. In other words, we have accumulated a wealth of information through personal experience. It is at your disposal. Enjoy the pleasure of travel without petty annoyance.
