

Kenilworth Cagers Win One, Drop Two Week-End Tilts

Kenilworth cagers dropped two games and won one last Saturday night in the first of the series of basketball games being played under the auspices of the North Shore grammar school league, composed of teams from Evanston, Wilmette and Kenilworth. The Kenilworth lightweights proved to be the only real contenders for honors among the local teams and downed the Boltwood quintet by a score of 13 to 6. Saxton was the outstanding Kenil-

worth player in the game, netting several of the winner's baskets. Boltwood won the middleweight contest on an 18 to 6 score and the heavyweight tilt by 13 points to Kenilworth's 4. Charles Howe acted as referee for all three games which were played in the Kenilworth Community gymnasium.

Winnetka Accident Thwarts Engineer's Hope for Record

Fate dealt a cruel blow to Fred Malbon, engineer on the Chicago & Northwestern train No. 210, the Milwaukee-Chicago limited which killed Mrs. Charles Wilbur Hess, of Evanston, at the Elm street crossing in Winnetka, Saturday afternoon.

Mr. Malbon has been pulling a train on the Northwestern for thirty-five years, and will retire the first of next month. This was the first person killed by a train which he was driving, throughout this long service, a record which he had hoped to terminate without this regrettable, though unavoidable exception.

ANNOUNCE CARD PARTY

The North Shore Soccer club announces a bunco and card party to be held at Community House, Winnetka, Saturday evening, March 12, at 8 o'clock. Refreshments are to be served. All members and friends of the club have been urged to attend this social gathering.

Roy Scouts

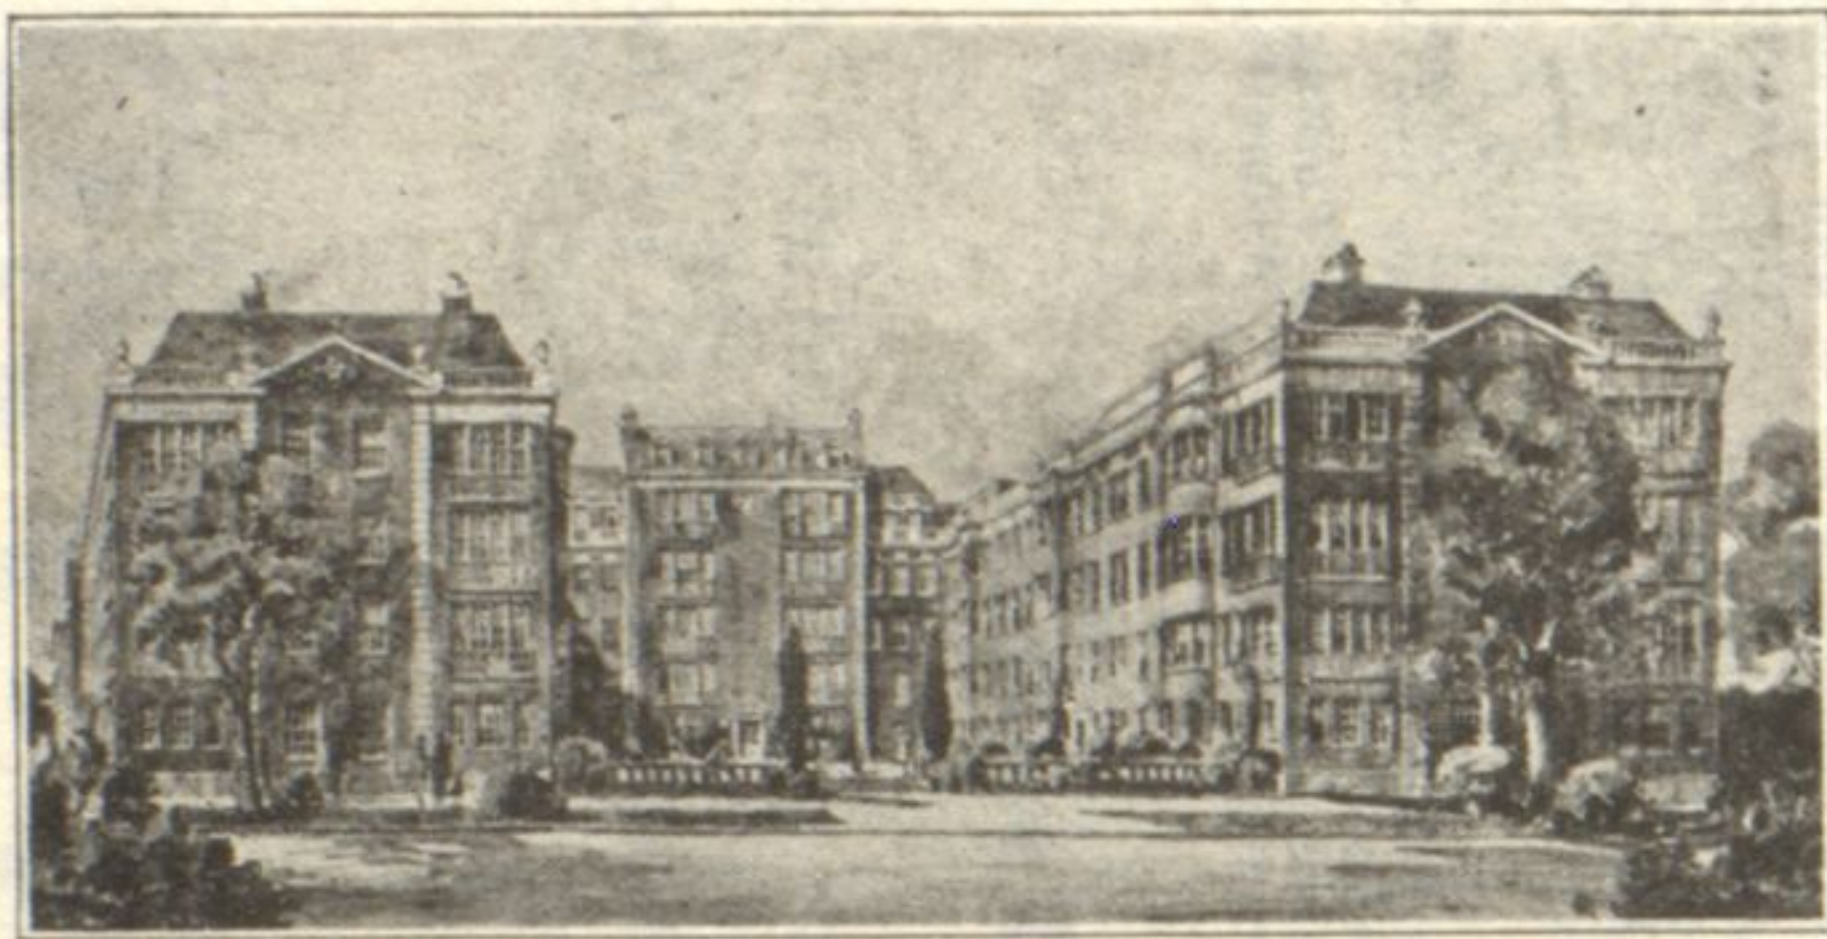

Each month the troops of the North Shore area rate themselves on their progress and strength. These reports are gone over by a committee and the troop scoring the highest is awarded the inter-troop efficiency award, an attractive leather shield. The first name to be engraved on this perpetual shield, is that of Troop 13 of Kenilworth which is doing exceptionally fine work under the leadership of Scoutmaster Robert Townley and S. P. L. Arthus McIntosh.

At the March Junior officers' conference, more than 100 older scouts, junior leaders in their respective troops, will hear Bob Becker, famous for his "Woods and Waters" in the Chicago Tribune. Six Scouts from each of our local troops are eligible to attend this conference which will be held Saturday, March 12, from 9:30 to 12 at the Lake Bluff school. A luncheon will follow. Scout William McAllen of Glencoe is in charge of the program committee and Alvin Bartholamew of Wilmette is general chairman.

On the last Friday of each month an open Scoutcraft rally is held in one town of the North Shore area, at which rally any troop that cares to, may enter teams to compete. The March rally will be held in Highland Park Friday, March 25, at 7:30 p. m. Robert Anspach, is the host chairman.

The Scout troops of Wilmette are planning a joint celebration of Arbor Day, on Saturday afternoon, April 9. The celebration includes a tree-planting ceremony and other activities.
