Rev. T. A. Goodwin Preaches at Chicago Church Sunday

Tomorrow evening, March 20, the Rev. T. A. Goodwin is preaching at the South Congregational church of Chicago, where he was a member for many years, and director of religious education during his seminary course. Miss Katherine Hamilton will accompany him and play several violin numbers in the service. Miss Hamilton's mother, Mrs. John Leonard Hamilton, attended the Sunday school of South church when she was a girl. Rev. James A. Richard will preach at both morning and evening services in the Winnetka Congregational church tomorrow.

Mrs. George Karnes of 151 Fuller Lane entertained a party of friends at luncheon on Wednesday, March 16, at the Women's Illinois Athletic Club, later taking her guests to the matinee.

DEBATERS TO DECIDE PHILLIPINE QUESTION

New Trier and Proviso Teams to Meet Tonight at High School Auditorium

Should the Philippines be granted immediate independence? "Yes, no doubt about it," is the answer of the affirmative debating team, Gilchrist, Dauber and Heineman. "Certainly not, such action would be disastrous" reply the members of the negative, Rollin Simmonds, Yost and Burdge.

Both teams are ready to support their statements with an impressive list of arguments and facts. The New Trier High school affirmative team is going to present its case in the New Trier auditorium at 7:30 o'clock tonight, against Proviso's negative team, while New Trier's negative team fights at Proviso. The outcome is hard to predict, since very little has been heard of the Proviso teams, but if they are of the same calibre as last year's team, an interesting and exciting encounter is to be expected.

Each debater is allowed a ten minute constructive speech and a five-minute rebuttal, with the exception of the last speaker, who is allowed a six-minute rebuttal. The time for rebuttal is somewhat longer than is customary in most high school debates. This arrangement has been made in order to facilitate as much refutation and extemporaneous speaking as possible, for these factors really constitute the true test of debaters.

The question of our policy in the Philippine Islands has been much debated recently although "the fighting sixty-ninth congress which recently went out of session failed to pass any of the proposed legislation on the matter. The recent report of the Carmi-Thompson mission has acted as new oil on the fire of the arguments.

A great deal of secrecy has been kept about the speeches, and Mr. McLean, coach, declines to give any information about the outline of the cases, or about the comparative strength of the affirmative and negative side of the question.

Frederick E. Clerk will probably act as chairman of the debate. Judges will be picked from a list of prominent attorneys and Forensic instructors.

PREACHER AT TWO SERVICES

Rev. James Austin Richards will preach at both the morning and evening services at the Winnetka Congregational church Sunday, March 20. His morning subject is "Thorough Religion," and his evening subject, "The Originality of God."
