

Purple Limbers Up for Diamond Season; Vet Pitchers Back

Preparations for the coming baseball season were begun at Northwestern this week as a squad of about twenty candidates limbered up in the big gymnasium. The practice was confined principally to tossing the ball around and light batting practice. The pitchers and catchers have been working out for the last month and are a bit further advanced than the other players.

Ziggy Solheim

Two veteran hurlers, George and "Lefty" Mills and Bill Palmer will handle the major portion of the slab work this season. They both worked alternately last year in capable fashion. George Panosh and Bill Hellerman, sophomores, are expected to develop into varsity material. Heideman, Flint and Bryant will be available for relief duty.

Loss by graduation of Ellis, star catcher last season, will weaken the backstop position. Al Foster, regarded as a likely successor, broke a shoulder in basketball recently and may be unable to play. This leaves Vandenberg and Carey, two sophomores of little experience, as the candidates. Ziggy Solheim, an Evanston boy, is captain of the nine this year.
