

BUILDER'S SERVICE

Incorporated

ANNOUNCE the opening of their business and solicit the further patronage of all those formerly dealing with the Winnetka Coal & Lumber Company, Hubbard Woods Lumber & Coal Company, and the Huebner Building Materials Company, who have sold this part of their business to us.

Realizing that the extensive building operations in Wilmette, Winnetka and Glencoe demands an organization to devote its entire efforts to supplying the Mason and Plastering Contractors with their various materials, therefore the formation of the Builder's Service, Inc., who, through volume purchasing and lower over-head expenses, will bring the prices of these materials to the lowest possible cost.

No expense has been spared in acquiring mechanical equipment and delivery trucks, which assures you of a most prompt delivery service.

Mr. L. V. Strnad, as Manager, who has had extensive experience in this line, will be in active charge of this organization.
