**Christian Science Churches**

"Substance" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, March 13.

The Golden Text was from Proverbs 22:4, "By humility and the fear of the Lord are riches, and honour, and life."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For all things are for your sakes, that the abundant grace might through the thanksgiving of many redound to the glory of God. For which cause we faint not; but though our outward man perish, yet the inward man is renewed day by day. For our light affliction, which is but for a moment, worketh for us a far more exceeding and eternal weight of glory; While we look not at the things are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal (II Cor. 4:15-18).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "That which material sense calls intangible, is found to be substance. What to material sense seems substance, becomes nothingness, as the sense-dream vanishes and reality appears." (p. 312).

**"Prim Prest" Is Very Popular**

AND why shouldn't it be? Mrs. Busy Housewife gives the weekly wash to Bill the Washington Laundry Man to be done our Prim Prest way. When Bill returns the bundle she finds everything washed and finished ready to put on or away. Indeed a service not only satisfactory but cheaper than if done at home.
