SCOUT CONFERENCE

Troops of North Shore Area Hold Session in Lake Bluff School; Bob Becker Is Speaker

Fifty-eight boy officers of Scout troops of the north shore area, gathered at the Lake Bluff school Saturday morning, March 12, for the second monthly Junior Officers' conference. Wilmette had thirteen representatives present; Kenilworth, four; Glencoe, nine; Ravinia, three; Highland Park, four; Highwood, three; Lake Forest, four; Lake Bluff, one.

Alvin Batholamew of Troop 5, Wilmette, is the general chairman of the conference and William McAllen, Troop 21, Glencoe, is chairman of the program committee.

Scouts began arriving at 9:30, registered, received their identification tags, and examined the exhibit that had been prepared. They were greeted at the station by local Scouts and followed a trail that led them to the schoolhouse.

After a short song period, Chairman Bartholamew introduced "Bob" Becker, of the Chicago Tribune, who told a story of an experience with an Indian boy in the Yukon territory.

Then followed a demonstration by William Solms of Wilmette, who exhibited articles from Artstone, and demonstrated its use.

Ted Grant of the Chicago staff, and Morriss Wright of Lake Bluff spoke briefly on the opportunity of spending a period at Camp Checaugua this summer. Mr. Grant also taught the group an Indian song.

Following the small group discussions, and a story, "eats" were served. Much credit is due the mothers of Lake Bluff Scouts, for their big help in making the conference the 100 per cent success that it was.

The April conference will be held in Glencoe, Saturday, April 9.
