Wilmette Girls Chosen to Assist at Voters' Bridge

Plans are nearing completion for a charming social affair of the early springtime, the benefit bridge next Wednesday afternoon at the home of Mrs. Frederick M. Bowes, 714 Ashland avenue, given by the Wilmette League of Women Voters for the purpose of raising the yearly quota for the league. Assisting at the tea tables will be a group of Wilmette girls, Frances Cutler, Louise McCoy, Helen Evans, Mary Louise and Frances Scheidhelm, Dorothy Anderson, Winifred Adkins, Pauline Wolf, Margaret Wilson and Margaret Youngberg.

During January, electric light and power companies of Illinois produced 565,330,000 kilowatt-hours of electricity, an increase of 11 per cent over January, 1926.

Sing on North Shore March 25

With an attractively varied program of standard male choruses, instrumental and vocal solos and orchestral and special features, the Ripon college Glee club will invade Wilmette for an appearance on March 25 at the Wilmette Parish Methodist church under the auspices of the Young Women's Missionary society. The quality and interest of the selections is quite out of the ordinary, it is said, and the diversified program is certain to meet with the approval of the most critical and fastidious music lover.

The opening number on the program is the "Pilgrim's Chorus" from "Tannhauser" by Richard Wagner. The concert program is delightfully and cleverly interspersed with a group of selections of a less serious strain, including "Rolling Down to Rio" by Edward German, "My Little Banjo" by William Dichmont, and "Swing Low, Sweet Chariot" as impressively

rendered by a special double male quartet.

The first part of the program which consists of three parts, will include instrumental solos by Alvin Brooks, sophomore pianist and winner of second place in the Wisconsin Musical Tournament at Madison two years ago. Joseph Liska is a violinist of rare ability, while James Hudson is a pleasing clarinetist of more than ordinary ability. These musicians appear on the program as an instrumental trio in addition to the solo numbers. One of the most effective selections is Veight's "Mother Love" sung by the Glee club.

The third part of the program opens with a series of popular orchestral selections and pieces with special features by the club soloists. All in all, everyone is certain to find something of interest in the program presented by the warblers from Ripon.

The club's philanthropy department, which has the sewing in charge, reiterates that its invitation is extended to all women of the village whether or not they are included in the list of club members.
