## This Wonderful Modern Luxury —Gas House Heating

**G**AS HEATING is the greatest single health and happiness builder that can be installed in your home.

Every day, the glorious freedom from all bother and nuisance in house heating. Even when you are on out-of-town trips, your heating plant requires no more care or attention than a pup can give it.

Restful sleep in a house that's just as cool as you wish; warmth to dress in, and for breakfast; an exact temperature within a single thermometer-measured degree, all day and evening!

Dirt, coal, ashes and soot are eliminated. Entire freedom from all inconvenience generally associated with house heating.

*Our special low house heating rates bring the cost of gas heating well within the means of most home owners. Ask for a copy of our new 16-page house heating booklet—it describes in greater detail the wonderful desirability of this great, modern luxury.*
