

BACK TO SCHOOL FOR PARENTS ON APRIL 5

New Trier High School P. T. A. Adopts Novel Method of Holding a Meeting

Back to school again! Parents of the students at New Trier High school will take the places of their sons and daughters for a day on Tuesday, April 5, attending the same classes and following the same routine while the students have a holiday, according to plans announced by the executive officers of the New Trier Parent-Teacher association.

School will operate on the following program and parents are advised that it takes a "blue permit from the registrar to get into a class after the bell rings."

Class periods will be thirty minutes long with five minute intervals between, to allow passing from class to class.

First period—3 to 3:30 p. m.
Second period—3:35 to 4:05 p. m.
Third period—4:10 to 4:40 p. m.
Fourth period—4:45 to 5:15 p. m.
Fifth period—5:20 to 5:50 p. m.
Recess—5:55 to 6:25 p. m., classes not meeting.

Sixth period—6:30 to 7:00 p. m.
Seventh period—7:05 to 7:35 p. m.
Eighth period—7:40 to 8:10 p. m.
Advisor—8:15 to 8:35 p. m.

Assembly—8:45: General Parent-Teacher association business meeting; Yale Film, "Vincennes, or, 'The Winning of the West.'"

Will Exhibit Work

Another feature of this event will be the exhibits. For the first time in years the work of students in various departments will be on exhibition. Some students have volunteered to work in the shops, art rooms, music rooms, science laboratories, domestic science rooms, gymnasium, etc., so that parents may see how these departments are conducted. Parents will probably get quite a thrill in comparing the equipment of a modern high school like New Trier with the high school of other days.

The cafeteria will serve a complete supper and the administration of the school is hopeful that many parents will avail themselves of the opportunity to test the quality of our cafeteria cooking service and prices. The program has been devised in the hope that it will be convenient for fathers and mothers to attend.

P. T. A. to Elect Officers

The annual Parent-Teacher meeting will be held on this occasion when new officers will be elected. At this meeting parents will be exposed to a History lesson in the ultra modern fashion via a showing of the Yale Chronicles of America film entitled, "Vincennes, or, 'The Winning of the West.'"

It is expected that the record of 82 percent of the parents of New Trier students at a Parent-Teacher association meeting will be broken at this meeting. Plans are being made for a 100 percent meeting.

The executive officers of the New Trier Parent-Teacher association are as follows:

President, E. J. Hicks, Kenilworth; vice-president, Mrs. W. C. Hughes, Glencoe; secretary, Mrs. C. D. Brandriff, Glencoe; senior chairman, Mrs. E. E. Stults, Winnetka; junior chairman, Mrs. George H. Pattison, Wilmette; sophomore chairman, Charles M. Holmes, Kenilworth; freshman chairman, Herbert Paulson, Winnetka.

NAME T. N. T. PUPILS

Honor Pupils for 1926-1927 School Year at New Trier Announced at Assembly Last Wednesday

The new members of T. N. T. and the Honor society at New Trier High school were announced in assembly late last week.

T. N. T. is an organization for the all-round students at New Trier. Each year, eight junior boys, eight junior girls, four senior girls and four senior boys are chosen by the sorority with the aid of the faculty. Membership in T. N. T. is the highest honor that a New Trier student can attain.

Those elected this year are: seniors, Frances Anderson, Catherine Bickham, Ruth Kinne, Marjorie Solomon, Preston Farley, Harold Spinney, John Cogswell, and John West; juniors, Jane Burrill, Jane Philbrick, Jane Ashman, Mabel Anderson, Jane Babcock, Margaret Whitsett, Dorothy Hartmann, Elizabeth Eberhardt, Charles Markley, Frank Watt, John Sheldon, George Pattison, John Leach, Dean Vail, Stanley Smith, and Steven Harwood.

The members of Honor society are the upper 10 per cent in scholarship of the senior girls and boys. This year the average of the girls was considerably higher than that of the boys; for that reason, a number of girls were given honorable mention because their average was as high as that of the boys who made the Honor society.

All the parents of the fortunate students were present to receive the "reflected glory" of their children. Superintendent Frederick E. Clerk congratulated the new members of both societies and explained just what the organization stands for and how it was possible for the students to attain distinction at New Trier.

Hindu Tots Write Thanks for Xmas Gifts from School

Two hundred and ninety children in India who were made happy at Christmas time by the gifts of various kinds from the children of the Winnetka Congregational church school, have each written a letter to the person from whom his gift was received, expressing his thankfulness for this kindly remembrance.

Many of the letters are written in Hindu, although some are in English. Those in Hindu were translated and the translation forwarded with the original letter.

The kindergarten children sent money with which to buy a football, and, judging from the happy tones of the letter acknowledging this gift, the game is as popular in India as in America.

"Legion Frolic" to Select North Shore "Peach" on April 18

At the meeting of Winnetka Post No. 100, American Legion, Monday of this week plans for the "Legion Frolic," to be held in the Winnetka Woman's club, Easter Monday, April 18, were presented by the entertainment committee.

Among the many attractions to be offered will be dancing, music for which will be furnished by Wally Dehmlow's six-piece orchestra, special song numbers, a prize dance contest and a prize beauty contest.

In addition to valuable prizes which will be awarded, the fortunate winner will receive the honor of being voted the "North Shore Legion Peach."

The proceeds from this event are to go into the Post's service fund. It is an affair to which all the public is invited to thus aid in a worthy cause. Tickets may be purchased from any of the Post members.

Kiddies Beginning to Sign Up for Indian Hill Camp

Spring days are here, and the out-of-doors is calling. Boys and girls who have been at "Chief" Davies' camp on Lake Hamlin, Michigan are already asking when they can leave for Indian Hill camp, and a number have already signed up, so as to make sure that they are "in" on the limited number that can be accommodated.

These camps are sponsored by Community House, and are under the direction of ("Chief") J. W. F. Davies. They are not run for profit, but for their value to the youngsters. While the camp term is only eighteen actual days, the boys and girls pack into it an unlimited measure of fun, work and comradeship, and return brown and sturdy.

The boys leave for camp Monday, June 20, and the girls, Monday, July 11. Registrations may be received now.

Hold Wednesday Evening Union Lenten Services

The observance of Lent as a time of Christian fellowship and consecration is said to be growing among Christian groups. Winnetka is fostering this idea through a series of Wednesday evening union Lenten services held at the Congregational church.

Rev. E. Ashley Gerhard, of Christ church, was the speaker last Wednesday evening and stressed "The Price of the Kingdom." It was pointed out that the true lawyer, doctor or business man must pay the price of attention and sacrifice for high attainment, and likewise a worthwhile Christian must pay a price.

Rev. A. E. Rohrbach will conduct the services next Wednesday evening, March 30, at 8 o'clock. This is a union Lenten service and everyone in the village will be cordially welcome.

Work Progressing Rapidly on Schell Business Block

The foundation is in and the steel work is going up in the new business and apartment block which R. H. Schell is erecting with frontage on Elm street, Chestnut street and Chestnut court, and work on the building it is said will be pushed with a view of completing it as early as possible. In the meantime Mr. Schell's stock reducing sale, preparatory to moving his store to the fine new quarters which he will occupy when the new building is completed, is still going on.

RECRUIT LOCAL BOYS FOR CITIZENS' CAMPS

Recruiting Officers for North Shore Area Invite Enlistments for C. M. T. C.

August 1 will mark the opening of the Citizens' Military Training camp at Fort Sheridan where all first-year men will receive four weeks of military training, in addition to one of the best outings it is possible to conceive.

During past seasons many young men from the north shore have taken advantage of this and other courses offered by the Citizens' Military Training camps, and from the early interest which is being manifest, there will be still more this summer.

Early though it is, three young men, Rex R. Eastman, of 789 Burr road; Frank M. Phillips of 77 Indian Hill road and Fletcher Carpenter of 948 Hubbard lane, all of Winnetka, have signified their intention of entering the camp at Fort Sheridan and will also assist the local officers of the C. M. T. C. in inducing other boys from this vicinity, and especially from New Trier High school, to spend their summer vacation in this manner.

Appoint Local Officers

The officers in charge of the work in the north shore towns are, Major George R. Harbaugh of Wilmette; Lieutenant David S. Lasier, 731 Lincoln avenue, Winnetka; Major Clarence Lineberger of 1437 Asbury avenue, Hubbard Woods, and Robert Wienecke of Glencoe.

The American Legion posts throughout the country are back of the movement. At the meeting of Winnetka Post No. 10, Monday evening of this week, a committee comprising Thomas J. Lynch, Capt. Harold Snell and R. C. Meleney was appointed to aid in the matter of recruiting youths of that village.

Provisions are made at Camp Custer, Jefferson Barracks and other camps for second and third year men, and there are also camps throughout the country where special courses, including aviation, are given. Further information on the subject may be obtained by any one interested by making application to any of the above mentioned officers.

In Camp Four Weeks

Each camp period is for four weeks. The government pays the railroad expenses of the boys to and from the camp, buys the uniforms and provides meals and lodging. One-half of each day is devoted to athletic and citizenship training. In the way of sports there are baseball, basketball, boxing and other forms of athletic activities.

Boys from 17 to 24 years of age are eligible to enter the camps. Cook county did not fill its quota last year and officers in charge, especially those on the north shore, hope to be able to make a better showing this season.

Winnetka Boy Selected for Salesmanship Honor

Bobbie Campbell, son of Mr. and Mrs. L. R. Campbell, 934 Westmoor road, has just been notified of his selection for membership in The League of Curtis Salesmen, an honor organization maintained by The Curtis Publishing company for boys who sell a certain number of its publications regularly.

Attendance to this organization depends upon regular school attendance as well as a record of efficient service to customers. Through this training, teachers very generally report that boys gain a sense of responsibility that tends to make schooling more real to them.
