

### New Trier Cagers Defeated by East St. Charles Team

After winning the District Tournament at Waukegan the week before, New Trier's cagers met defeat in the first game at Joliet at the hands of the strong St. Charles team by the score of 38-20.

The game was marred by rough play on the part of both teams. St. Charles displayed a system of blocking that would be a credit to any pro basketball team.

At the end of the first half it seemed to be a toss up as to which team should win. The score was tied at the end of the first quarter, 7 to 7, and at the half St. Charles held the lead by the slim margin of 12 to 11. Waddy Paletti and Tony Copeland led the scoring for New Trier with two baskets apiece.

St. Charles started the second half with a rush, scoring five baskets in the first few minutes while New Trier was able to sink only one. Morry Nelson was put into the game in an effort check St. Charles' rush and made a basket in his first minute of play. After that, St. Charles made two baskets and a free throw and increased her lead to 26-15 at the end of the third quarter.

In a desperate effort to make up the lead gained by St. Charles, New Trier players committed several fouls in the third quarter, four of which gave St. Charles points. John Sheldon contributed to the New Trier score in this period with two baskets. The final score of the game was 38-20.

St. Charles defeated Horton in the finals 28-17 Saturday night. Before the tournament started, St. Charles was regarded as the weakest team entered in the games, but have emerged as one of the favorites for the State Championships being held at Champaign this week-end.

### New Trier's Music Memory Team to Be Victorious One

The annual music memory contest is to be held April 2 at Orchestra Hall. This year New Trier has a remarkably strong team since three of last year's members have made the team again this year. They are Mary Eisendrath, Virginia Cordell, and Alice Shirinian. The other members of the team are Dorothy Paley and Vera Gillette. One boy was within one point of becoming a member of the team but the judges seemed to favor the fairer sex in this case. New Trier has never missed taking the first or second prizes and it has every reason to believe that it will be victorious this year.

### Annual High School Board Elections Set for April 9

The New Trier Township High school board election, to be held for the purpose of electing a president of the board and one member, will take place on Saturday, April 9. It is the hope of the board that a representative number of the voters will go to the polls as it is highly desirable that the board receive the endorsement of the electorate on the splendid work which it has accomplished during the past term.

The terms of office of Leslie F. Gates, president of the board, and Edward J. Phelps, member, expire this spring and they are being urged to become candidates for reelection by their many friends throughout the township. It is pointed out that they have had a tremendously important part in the formulation of plans which are making for a great New Trier, a program of expansion that makes imperative the retention of their invaluable service.

### Orchestras From Skokie and Wilmette Perform

The musical assembly held last Monday in which the orchestras of Skokie Grammar School, Wilmette Grammar School, and New Trier High School participated was much enjoyed by the students. The size of some of the aspiring young musicians from the grammar schools called forth much amusement from the students but this was speedily replaced by admiration for their skill in rendering their selections. Mrs. Cotton, music supervisor, is much encouraged by the obvious good material from these orchestras for future use in New Trier orchestras.
