

**Dr. Alfred Adler  
Addresses College  
Group Next Monday**

"Causes of Failure in Childhood and Later," was the subject chosen by Dr. Alfred Adler of Vienna for his lecture in Harrison hall, Evanston, on Monday evening, March 28, is one, it is said, on which he is extremely well qualified to speak after his years' of successful work along this line with children and adults.

Vienna has an enviable reputation of being, not a city without problem children, but a city which is solving the problem of such children. Twenty-two clinics for the care of behavior problems have been established in the city under Dr. Adler's supervision, and the work of these clinics is supplemented by that of the public school teachers, who are thoroughly in sympathy with the movement.

Dr. Adler is a professor in the Pedagogical Institute of Vienna, practices psychotherapy, and came to America to compare and exchange experiences in his subject. He has lectured in many of the leading cities and universities of Europe, and during his recent lectures in Chicago the attendance was so great that many were unable to hear him. The lecture in Evanston next Monday will be given under the auspices of the National Kindergarten and Elementary college, and tickets may be secured through the college office.

Miss Virginia Wallace, daughter of Mr. and Mrs. Walter F. Wallace of 815 Mt. Pleasant road, is returning today from Wellesley college for the spring vacation.

Mr. and Mrs. Thomas S. Bulger, Mr. and Mrs. Roy Bard, Mr. and Mrs. Joseph Magnus of Winnetka, and Mrs. Henry Stout of Glencoe, are leaving April 2, for a two weeks' stay in Hot Springs.

**TRINITY LUTHERAN SERVICE**  
Services in German will be conducted at Trinity Lutheran church, Glencoe, Sunday morning at 9 o'clock, by the pastor, Rev. L. Nauss, from the text, John 19: 16-17. English services will be held at 11 o'clock, at which time the sermon theme will be, "The Cross a Victory in Seeming Defeat." Services will be held Wednesday evening of next week at 8 o'clock, when the theme will be, "How the Scriptures were Fulfilled in Christ's Treatment at the Hands of the Soldiers that Crucified Him."

**The Warning of Dizzy Spells**

When your head swims and frequent unsteady feelings bother you, it's one of the indications of High Blood Pressure. Don't disregard Nature's warning and risk Paralysis or Apoplexy — seek aid before it is too late. Mountain Valley Mineral Water from Hot Springs, Arkansas, will assist Nature to equalize your blood pressure by aiding in restoring normal functioning of the kidneys and assisting them to flush out the poisonous wastes that cause increased blood pressure. Delay may mean more serious developments. Phone us for a case today.

**Beauty Lies in  
Healthy EYES**

It's not so much the size or color of the EYES that makes them beautiful. Rather, it's the glow which radiates from them. Urless kept always clean and healthy, EYES lack this alluring lustre. Millions of women throughout the world promote EYE health and beauty with Murine. It cleanses EYES of irritating particles and keeps them clear and bright. Contains no belladonna.

Our illustrated books on "Eye Care" or "Eye Beauty" are FREE on request.

**Protect Your Trees**

from insect and fungus diseases  
by **SPRAYING** your trees Now!

Spraying is essential to the control of insects and fungus diseases, and is a phase of the tree specialists' work that calls for a practical knowledge of the factors involved. There are, for example, two types of insect pests: sucking insects and chewing insects. In combatting each, radically different methods are employed.

Tree pests and infections work downward. Hence no spraying is adequate unless it reaches the topmost branches. Our 2½ h. p. motor sprayer assures the utmost thoroughness in reaching every part of the tree.

You are obliged in no way by requesting an examination of your trees and a professional opinion regarding them. If they need attention—and only then—will you be offered the opportunity of availing yourself of this high type of service, at a consistent price.

Spraying is inadequate unless it reaches every part of the tree. Our 2½ h. p. high-pressure motor sprayer does the work.
