

**Local Waltonians  
Invite Residents  
to Annual Parley**

The members of the Winnetka chapter of the Izaak Walton League of America are calling the attention of their friends to the Fifth National convention of the league which will take place at the Sherman hotel, Chicago, April 7, 8 and 9.

The speakers at this convention will include Secretary Herbert E. Hoover and many men prominent in conservation of game refuge affairs throughout the United States.

"At this season of the year when many of us are extremely interested in the condition of our fishing tackle and other outdoor paraphernalia, one feature of this convention will have a very strong appeal," reads a comment from the local chapter. "The Sportsmen's show held in conjunction with the convention will be one of the most complete exhibitions of the kind ever held. Last year the attendance at this exhibition upset all calculations and this year, with a great many more exhibitors, and a more varied line of products on display, it is expected that few people interested in outdoor life will miss the exhibit."

This show was open to the public for the first time last year and so much interest and enthusiasm was evidenced that the same practice will prevail next week.

**GIVE SERMON SUBJECTS**

"The Redemption of Mammon" is to be the subject of Rev. James Austin Richards' sermon at the Winnetka Congregational church Sunday morning, April 3, at 11 o'clock. At the evening services Rev. Thomas A. Goodwin will discuss the theme, "The Necessity for Love."
